

Egyptian And Israeli Troops Clash On Sinai Peninsula As Both Nations Gird For Battle

CAIRO (AP) — Egyptian and Israeli troops and airmen clashed deep within Egypt's Sinai Peninsula today as the U.N. Security Council was called into session to deal with the outbreak.

Egyptian President Nasser was reported to have ordered a general mobilization as the fighting looked more and more like war. Israel had gone on a war footing over the weekend.

Military spokesmen at Tel Aviv announced the capture of the Egyptian position of Qusaila, about 10 miles inside the Egyptian border and about 15 miles southwest of the El Anza demilitarized border area.

This action indicated the Israelis had struck at points scattered over a 70-mile front in their invasion of Egypt yesterday.

Near Suez Canal

Earlier, a two-pronged attack from Kuntilla and the head of the Gulf of Aqaba, far to the south, had been reported without confirmation to have driven almost across the peninsula to within 18½ miles of the Suez Canal.

A communique here said Egypt's counterattack "stopped completely" the Israeli advance. Military sources in Tel Aviv placed the Israeli columns at 30 to 60 miles from the canal.

A Cairo communique said the Egyptian air force shot down two Israeli aircraft, destroyed 12 Israeli armored cars and strafed Israeli troops.

These attacks were said to have taken place at El Themed, 30 miles inside Egypt from the Kuntilla jump off point, and against Israeli troops "before the Egyptian position at Insama."

The communique claimed Egyptians were engaged in "mopping up operations in the Sinai Peninsula."

Tel Aviv military spokesmen announced that the Israeli air force also had gone into action and had attacked Egyptian convoys.

Earlier, neutral diplomats in Israel had expressed the fear that if the fighting got into the air it would tip the balance toward all-out war. The Egyptian air force lately has been reinforced by the arrival of Soviet jet fighters and bombers. The Israeli air force has French jets.

Israel's 1,800,000 population faced a blackout tonight.

It was the Cairo newspaper Al Messaa which reported Nasser had ordered general mobilization. There was no government confirmation.

200,000 Are Called

Washington estimates are that 150,000 to 200,000 Israelis had been called up. Israel is believed capable of mobilizing an army of about 250,000.

Egypt, according to the estimates of outsiders, might be able to mobilize 500,000 men.

So far neither side had published any casualties in the fighting.

In a diplomatic aside to the general situation Egypt protested to Britain against the flight of two Canberra jet bombers over the (Continued on Page 2)

Ike Cancels Eastern Trip Due To Crisis

WASHINGTON (AP) — President Eisenhower today cancelled his scheduled campaign trip to Dallas, Oklahoma City and Memphis tomorrow because of the Middle East crisis.

Eisenhower sent identical messages to supporters who had arranged for his speeches in these states which supported him in 1952. The message said:

"The turn of events yesterday leaves me no option—in the interests of working for peace—but to remain at the White House Wednesday to deal with the situation developing in the Middle East."

Future Talks Uncertain

He said it was "with exceeding regret" that he cancelled the talks.

Press secretary James Hagerty, who announced the decision, said he did not know whether Eisenhower would be able to reschedule the visits before election day.

Also uncertain at the moment, Hagerty said, is whether Eisenhower will be able to keep his date in Philadelphia Thursday evening for a major address to be broadcast by radio and television at 9:30 p.m. EST.

It appeared this would be easier to fit into the suddenly disrupted campaign schedule, but Hagerty said "everything will be decided on a day-to-day basis."

MRS. E. H. VANCE DIES ON SUNDAY

Mrs. Elizabeth Hamilton Vance, widow of Charles T. Vance, died at the Washington Sanitarium, Washington, D. C., on Sunday. She was the daughter of John and Margaret Hamilton, of Chester, Pa., where she lived until she married Mr. Vance. Aside from three years in Colorado, Mrs. Vance lived in Pennsylvania and for 42 years in Adams County.

She is survived by three children, John Hamilton Vance, Bethesda, Md.; Joseph Fife Vance, Charlottesville, Va.; and Mrs. Gregory B. Mason, Chevy Chase, Md. A granddaughter and two grandsons also survive.

Funeral services will be held at Gawler's Funeral Home, in Washington, on Wednesday with burial in Rock Creek Cemetery.

COUNTIANS ARE MENTIONED IN POST ARTICLE

"Ike, Mamie and the Neighbors" is the title of an article by Rowland T. Moriarty and Frederick A. McCord in the current issue of the Saturday Evening Post.

The article speaks familiarly on many of the public and private officials in Gettysburg and Cumberland Township.

Some of the names mentioned in the story are Clarence Carnahan Smith, chief clerk of the county commissioners, who registered the President and Mrs. Eisenhower as GOP voters at the courthouse last February; Niels Sundermeyer, W. Lincoln Ave., who waited on Mrs. Eisenhower when she shopped; Mr. and Mrs. Allen S. Redding, former owners of the Eisenhower Farm; Charles R. Snider, assessor of Cumberland Township; the Kecklers, Ike's nearest neighbors, and Mrs. Anna Bieker.

CARPET MAKING IS OUTLINED AT ROTARY SESSION

Donald Rich Jr., public relations director for the C. H. Masland Co., Carlisle, was the speaker Monday evening at a meeting of the local Rotary Club at the YWCA.

Rich told of the development of rugs beginning in the Orient thousands of years ago. Rugs began to attain "style" only during the last 30 or so years. Before that time people bought imitation oriental rugs and put them in their parlors, and the parlor was used only on state occasions. Then times changed. People began to use the parlor as a living room and then the ladies began to demand various new styles in carpeting. And the carpet-makers of the world moved to meet this new demand.

He showed carpets of various materials including wool, the basic carpet material, cotton "which doesn't hold up as well as wool but in one sense is more lasting, and which does permit those pastel shades the ladies want," and various plastics which have been woven into rugs.

"We now, and by that I mean (Continued on Page 4)

Phyllis Cleveland, R. 4, a local telephone operator, was notified by borough police as to the location of her car Monday afternoon after they had determined ownership of the vehicle which they had towed to a parking lot after they found it Monday morning, according to police report, "parked at a fire hydrant."

Red Premier Nagy Says He's Ordered Russian Troops To Evacuate City Of Budapest

VIENNA (AP) — Premier Imre Nagy told the revolution-torn Hungarian nation today the one-party system imposed on the nation by the Communists has been abolished.

Nagy announced to the nation over Radio Budapest that he was calling on the Soviet army command in Budapest to begin the immediate evacuation of Russian troops from the city.

The announcement was broadcast. Throughout most of the morning, Radio Budapest had remained silent about developments in the capital. From other sources it was reported that fighting was continuing there, with the rebels seeking to evict the Russian troops.

Wants Army Outed

Nagy said the Hungarian government would start at the earliest possible moment to negotiate with the Soviet government for complete withdrawal of the Russian army from Hungary.

Union Thanksgiving Service Is Changed

The annual Gettysburg Community Thanksgiving service sponsored by the Gettysburg Ministerium will be held this year on Wednesday evening, November 21, at 7:30 o'clock in the Memorial Evangelical United Brethren Church, W. High St.

The preacher will be Chaplain Edwirth Korte, of Gettysburg College. The service will be under the direction of the host pastor, the Rev. Harry L. Fehl Jr.

The decision to hold the annual service on Wednesday evening instead of the traditional Thursday morning was taken at a recent meeting of the local ministerium.

LIST WINNERS FOR WINDOW PAINTING TEST

More than 100 school youngsters took part Monday afternoon in the annual window painting contest conducted by the Gettysburg Association of Clubs as part of the town's Halloween festivities.

David McCullough, Raymond Menges and Robert Neary, the committee in charge, assigned 60 windows offered by various merchants of the town to the youngsters, some of whom worked in pairs to place their "works of art," all designed to depict some aspect of the Halloween scene.

Mrs. Doris C. Brake and Richard Krick, art teachers in the Gettysburg schools, served as the judging committee for the event. Chester Hilger, Gettysburg Recreation director, assisted the committee in charge in setting up the program for the painting.

EXPECT 1,000 AT PARTIES FOR YOUTH TONIGHT

Approximately 1,000 youngsters are expected to jam the Moose ballroom this evening for the annual Youth Honor Day program held by the local lodge at its home on York St.

For the youngsters the party is their "pay" for signing a "Youth Honor Day Pledge" to refrain from malicious mischief during the Halloween season.

The program will, as in the past, take the form of two parties, the first at 6 o'clock for youngsters in the grades. The second at 8 o'clock will be a dance for teen-agers.

Prizes for costumes and door prizes will be awarded, cartoons will be shown and refreshments served at the party for the first through seventh grade children.

Bud Codori's orchestra will provide the music for the teen-age dance.

Issues Proclamation

'OLD MONARCHS' IN LIONS CLUB ARE HONORED

Nearly a score of Gettysburg Lions, headed by Dr. Lloyd C. Keefeauver and G. W. Lefever who received 30 year chevrons, were honored as "old monarchs" Monday evening at a weekly dinner meeting of the club at which District Governor Robert L. Wolfgang, North York, paid an official visit.

Presentation of the "old monarch" awards was made by the district governor after he had addressed the local service group on "Triple A Lions Clubs."

Twenty-year awards were given to Glenn L. Bream, Fred G. Pfeffer and Attorney Donald G. McPherson. There were 15-year chevrons for J. B. Collins, D. E. Hess, Attorney Donald M. Swope and Clarence J. Waybright. The 10-year monarchs honored included Secretary Ralph Barley, Robert E. Berkhimer, Richard Codori, George F. Eberhart, Mahlon P. Hartzell Jr., Carl Menchey, J. Herbert Raymond, Dr. Joseph Riley and Fred Sanders.

Announces District Meeting

"Aims, activities and attendance" were listed as three important phases of the program of a "Triple A Lions Club" by the speaker. "Know what you're setting out to do this year and then carry out your plans. Let your activities be aimed at doing your utmost for your community and remember that your club is no stronger than your average attendance."

President Eugene R. Hartman presided at the meeting with 89 Lions and guests in attendance. He presented Zone Chairman Don Horst of the Upper Adams Club who introduced Deputy District Governor William Lau who in turn presented the district governor.

Wolfgang announced plans for the district ladies' night dinner meeting at York on November 1 when International Vice President Edward Barry will be the speaker and there will be special entertainment.

President Hartman announced Harry D. Ridinger is heading up three teams selling fruit cakes for Thanksgiving and Christmas. They are gift-wrapped, weigh three pounds and sell for \$3.75. The cakes will arrive November 12. Hartman said the club will be divided into three teams for the fund-raising cake sale.

A meeting of the club's board of directors followed the general session.

Named Editor

Miss Kay Coleman, daughter of Dr. and Mrs. J. Walter Coleman, Emmitsburg Rd., who has been named editor-in-chief of the 1957 Chevron, senior yearbook at Seton Hill College, Greensburg, Pa. She has also been elected to membership in the social science honor society, Pi Gamma Mu. On the school's recent United Nations Day program she was the moderator of the political panel as president of the International Relations Club.

RESIGNATION OF H. E. RIEGLE AS SUPT. ACCEPTED

The resignation of H. Edgar Riegle as Adams County superintendent of schools was accepted "with regret" by the County Board of School Directors at their meeting Monday evening in the office of the county superintendent on Carlisle St.

The resignation is effective December 31. Riegle will accept the post of Gettysburg superintendent of schools January 1, succeeding Dr. Lloyd C. Keefeauver, who is retiring after more than 30 years as head of the local schools.

Preliminary plans were made for the annual convention of the Adams County school directors, to be held December 7 at Littlestown. Named as a committee to select nominees for auditor, delegates and alternate delegates were W. A. Mackley, Littlestown; Lloyd Garretson, Upper Adams; Thomas Oyler, Franklin Twp.; Mrs. Jennings Collins, Gettysburg, and Charles F. Zeigler, Conewago Twp.

Speech Program Praised

Selected as the resolutions committee were Paul Lerew, East Berlin; Lloyd E. Benner, Fairfield; Mrs. James A. Martin, Gettysburg; Paul Lehman, North Adams, and Philip Alwine, New Oxford.

Superintendent Riegle reported that contracts for the transportation of children to the Day Care Training Center at Gettysburg, approved by the county board last month, have also been approved by the state. That led to a discussion in which the county board learned that all is proceeding well at the Day Care Training Center and in the speech and hearing program sponsored by the county board for the county's schools. A number of board members mentioned reports to them of children whose speech has been greatly improved by the training given.

The county board approved a supplemental bus contract providing \$2 per day more for Donald Rouzer (Continued on Page 5)

COURT SLASHES RED TAPE WITH INJUNCTION IN SCHOOL DISPUTE

The Adams County court this morning cut through legal technicalities in order to keep the Conewago Joint School System in operation until some court can determine the legality of the October 8 resolutions "dissolving" the jointure.

Then the court added that in taking its action it might be wrong "but it will take the Supreme Court of Pennsylvania to prove we're wrong."

"At the present moment," Judge W. C. Sheely held, "all of the districts in the jointure are in a dangerous position, and the entire school system of the eastern part of the county is in a dangerous position."

Preliminary Injunction

The action taken by the court this morning consisted of the placing of a preliminary injunction against Abbottstown and Reading School districts forcing them to work with East Berlin and Conewago Independent in the operation of the Conewago Joint School System. That was in accordance with the first petition that East Berlin had made to the county court.

Then the court directed that all four of the Adams County districts bring suit in Adams County against Paradise Twp., fifth member of the allegedly dissolved joint system, asking that it be forced by a preliminary injunction to do its share in the joint district.

The court made clear that the enforced working together of the districts at the present moment is based upon a recognition of the fact that the school system must continue, and the preliminary injunction will last only until legal determination is made of whether the jointure is in effect dissolved. 14 WOMEN ARE GIVEN SCOUT CERTIFICATES

Fourteen county women received certificates for completion of the basic leadership training course held by the Adams County Girl Scout Council at the concluding session of the 16-hour course Monday night.

Fifty attended the final session at Christ Lutheran Church, and it was announced that 15 other leaders who have completed all but one of the classes conducted since the program started September 29 will be able to complete the instruction and receive certificates by attending a special class to be held November 7 at the Girl Scout office.

Mrs. Donald Fair, volunteer training instructor for the course, presented the certificates at the close of Monday's session. The group in turn presented Mrs. Fair with a silver bracelet. Plans were also announced for a crafts workshop for adults to be held in January at the county Girl Scout office in The First National Bank building, Lincoln Square.

Two films provided by the National Girl Scout office were shown Monday with R. Thomas Adams as projectionist. The films were "Lighted Windows" depicting the work of the Senior Scouts and "Adventures in the Arts," showing scout craft work.

The 14 women receiving certificates Monday were Mrs. Walter Coshun, Mrs. Charles Dick, Mrs. Ellis Mallow, Mrs. Arthur Phiel and Mrs. Allen Weikert, of Gettysburg troops; Mrs. Fred Garretson, Mrs. Thomas Oyler and Mrs. Lee Rein-ecker, of Arendtsville troops; Miss Thelma Griffin, of York Springs; Mrs. Peggy Lady and Mrs. Daniel Warrington of Biglerville; Mrs. Clair Rohrbaugh and Mrs. Willis Yeagy, of New Oxford, and Mrs. Roy Swope, New Chester.

HOLD SERVICE ON WEDNESDAY

The 439th anniversary of the Reformation will be marked with services in the Church of the Abiding Presence of the Lutheran Theological Seminary Wednesday evening at 7:30 o'clock.

Rev. Dr. Frank J. Fife, president of the United Lutheran Synod of Maryland, will speak. The liturgist will be Joseph Seitz, president of the student body of the local seminary. The seminary choir will sing. The public is invited.

It was on October 31, 1517, the eve of All Saints' Day, that Dr. Martin Luther, an Augustinian monk, nailed his 95 theses or statements against indulgences on the door of Castle Church, Wittenberg, Germany. This was the appropriate manner of the times for a scholar to invite debate on a subject. The Protestant world hails this event as the beginning of the Reformation or "cleansing of the church of error."

GOP WOMEN BEGIN SERIES

Approximately 150 persons were in Schott's Restaurant, Littlestown, Monday evening for the first in a series of meetings to be held throughout the county this week under sponsorship of the Adams County Council of Republican Women.

Edward Hawk served as master of ceremonies. Mrs. Charles Welker introduced Candidates Stauffer, Elliott and Worley. A Littlestown orchestra led by George Tressler presented selections and Mrs. Carl Baumgardner presented a skit as a "Southern Political Orator."

Assemblyman Francis Worley told the group that he originally opposed the one per cent sales tax, but later voted for it because of the need for funds for the public school system. He added that he and other Republicans had voted against the present three per cent sales tax. Congressman Candidate S. Walter Stauffer was the next speaker. State Senator Candidate Douglas Elliott held forth at the Democratic U. S. Senate candidate, Joseph S. Clark, "is opposed to everything Eisenhower stands for."

Mrs. A. W. Butterfield spoke briefly. Fred Pfeffer of the county executive committee said, "The figures show farm income off five per cent. But there are 87,000 less farmers. So they in general are getting a bigger share of the pie. The Democrats criticize Wilson because he is the former head of General Motors, but the only question is not what he headed, but is he a good secretary of defense, and I am afraid they would have to admit he is."

Tonight the second in the series of meetings will be held at East Berlin fire hall at 8 o'clock.

Snyder Will Hold Hearing Friday

A hearing will be held Friday morning at 10 o'clock before Justice of the Peace Robert P. Snyder in the various charges brought before him Monday in connection with alleged disturbances at the Summit Mining plant, near Aspers.

All defendants posted \$300 bail on each charge—which made it \$600 for most of the defendants. The cases were charges of assault and battery by motor vehicle against Peter Biancatta, Gettysburg R. 3; Carl F. Ankey, Aspers, and Harold Kime, Bendersville, brought by Merle P. Phillips and John J. Baltzley, and charges of assault and battery by hurling stones and malicious mischief brought by Kime, L. W. Hayes and Richard Beamer, Biglerville R. 1, against Phillips, Baltzley, Terry Baltzley, Richard Scott and Harold Baltzley.

The charges grew out of the alleged throwing of stones by the five men charged against the truck when it forced its way through a picket line at the Aspers plant. The assault and battery by motor vehicle charges are brought as a result of the truck, a station wagon and a car being driven through the picket line, at different times, by "bumping" up against the pickets.

Dr. Crist Urges Salk Vaccine For Adults

The regular polio clinic will be held at the Warner Hospital this evening at 5 o'clock. Persons who received first inoculations October 2 or before are due for second shots. Persons who received their second inoculations six months or more ago are due for third shots.

Because of Election Day there will be no clinic next Tuesday, but the series of clinics will be resumed November 13.

Dr. C. G. Crist, Adams County medical director, urged those who have not returned for second shots or third inoculations within the one-month or six-month period required before the shots are given attend the clinic to complete their series.

He also urged that adults who are not given shots at the free clinic see their family physician to arrange for the series of shots. Noting that "polio is still afflicting adults," Dr. Crist urged all to have the series of shots "so that we can do to polio what we did to smallpox, practically eliminate it."

Christ Lutheran To Plan For Expansion

The first meeting of a committee to study needs for expansion of the Sunday School rooms at Christ Lutheran Church was held at the church Monday evening.

The group will report back on the results of its studies November 26. On the general committee are these committee chairmen who will add to their committees: William H. Musser, new building; Russell Schwartz, survey; Mrs. Mark A. Eckert, worship and fine arts; Robert Ziegler, Christian education; Mrs. William H. Teeter, fellowship and recreation; A. W. Butterfield, administration and social special activities; H. Edgar Riegle, furnishings and equipment; Russell Campbell, finance; Carl A. Baum, promotion; L. S. Long, plans and construction. Rev. Herman Steumpp, pastor of the church, is a member of the committee, ex-officio.

Bulletins

CAIRO (AP) — The sound of anti-aircraft fire was heard over Cairo today.

Residents gathered in the streets but could see no planes. Smoke puffs spread across a bright blue sky.

No alarm was given. Traffic continued normally while ack ack fire continued over this city of three million.

VIENNA (AP) — The Budapest radio late today broadcast an announcement by Premier Nagy that Soviet troops have started pulling out of Budapest.

LONDON (AP) — Britain and France declared today their forces will occupy key positions in the Suez Canal area unless Israeli and Egyptian troops stop fighting within 12 hours.

The two Western powers sent this warning to both Cairo and Jerusalem. Prime Minister Eden told the House of Commons the Anglo-French operation aims to "separate the belligerents and guarantee the freedom of passage" through the Suez Canal.

Eden declared the British and French governments have asked Egypt and Israel to withdraw their forces to within 10 miles of each side of the Suez Canal. The Anglo-French proposal envisages that forces of the two countries should be "temporarily" based at Port Said, Ismailia and Suez.

WASHINGTON (AP) — Secretary of State Dulles said today he had "heard reports" that British and French troops had landed in Egypt to help defend the Suez Canal.

Dulles told reporters, however, that he had received no official confirmation of those reports.

The secretary talked briefly with newsmen when leaving the White House after a 75-minute conference with President Eisenhower. Dulles said he might return to the White House for another conference later in the day but, at the moment, there was nothing he could say about American moves in the Arab-Israeli crisis.

SPANGLER WILL HEAD KIWANIS

Harry A. Spangler, E. Middle St., electrical contractor was elected as the next president of the Gettysburg Kiwanis Club at a meeting of the club Monday evening at Banker's Restaurant. At the first of the year he will succeed Charles S. Graham as the president. Spangler now is first vice president.

Other officers named Monday include: first vice president, Prof. Herbert Hamme; second vice president, Robert McWilliams; directors for two years, J. William Ditzler, Fred Garretson, Ernest Krape and Harry W. Redding; and directors for one year: Coy; treasurer, Charles Coffman; the Rev. Robert Knechel, Carl S. Schult and Roy E. Thomas.

At a brief meeting of the board of directors after the club session, Clyde H. Markle was re-elected as the club's secretary. Business occupied the club session and there was no entertainment program. Guests included Charles L. Rowland, Shippensburg, professor emeritus of music at Juniata College, and Richard A. Kershner of Gettysburg.

COLLECT TREAT FOR CHILDREN

Thirty-three boys and girls from Mrs. John C. Stahl's Sixth grade in the Keefeauver elementary school have decided to "trick" people into treating needy mothers and children all over the world during this season of spooks and witches. Under the auspices of UNICEF (United Nations International Children's Emergency Fund) the 33 youngsters went from door to door Monday evening to collect donations to buy food, drugs, milk, medical aid and health services for the unfortunates of many nations.

The youngsters wear an identifying badge showing that they are working for UNICEF. They have a slogan adopted from the organization, "The trick is to treat, makes a UNICEF Halloween unique."

The youngsters will be out again tonight. No plans have been made for Halloween, said their teacher, since the parade will make it too late to solicit funds afterwards.

Apples From Bank Show Go To Hospital

Patients at the Warner Hospital will be well supplied with applesauce, baked apples, apple tarts or anything else a good cook can whip up from the prize-winning fruit turned over to the hospital by Adams County fruit growers and the Gettysburg National Bank at the conclusion of the 30th annual Apple Show Saturday.

Hospital authorities said the apples will be served in various ways to the patients "while they hold out." The richly-colored specimens given to the hospital include Jonathan, Grimes Golden, Rome Beauty Double Red Delicious, Golden Delicious, Stayman Winesap, Red Stayman Winesap, Red Delicious and York Imperial varieties.

Open Seven Weeks' School On Thursday

A seven-week series of classes will open Thursday evening at 7:30 o'clock in the Baptist Church. It was announced today. The school has been held annually for the past four years and provides classes for all age groups.

This year the courses will be on the general theme, "Southeast Asia," particularly Thailand and the Philippines. Classes will be in charge of Mrs. Fred Neal, primary; Mrs. Archie Strickland, juniors; Mrs. William Covington, young people; Donald Tizian, adults.

Mrs. Rose Graziano, of Kodiak, Alaska, a missionary of the American Baptist Home Mission Society, will speak. The closing Thursday night, December 23, there will be shown the missionary film, "In The Face of Jeopardy." Members of the church and friends of the community are invited to the sessions.

Suez Canal area.

The protest followed reports from Port Said that Egyptian anti-aircraft guns had opened fire on unidentified planes high over the seaport.

Advance Into Egypt

Two mechanized Israel columns crossed the border last night and advanced at least 75 miles into Egyptian territory. Israel said the expedition's purpose was to clean out bases of Egyptian commandos who have been raiding into Israel.

The latest report from military sources in the Tel Aviv placed the Israeli forces between 30 and 60 miles from the Suez Canal. An earlier unconfirmed report from the Israeli sector of Jerusalem said the Israelis had penetrated to within 18 1/2 miles of the canal, without Egyptian opposition.

A war scare spread around the world, and Western diplomats reacted quickly.

The Arab nations surrounding Israel all have said they would regard an attack against one as an attack against all, raising the threat of a general renewal of the 1948 Palestine war.

New Developments

There were these rapid-fire developments:

The U.N. Security Council was called into emergency session in New York.

In Washington, the White House said "we shall honor our pledge" to assist any victim of Middle East aggression, made jointly with Britain and France in a 1950 declaration. The U.S. 6th Fleet was reported in the eastern Mediterranean, within attack plane range of the Israeli-Egyptian border.

Britain also was described as standing fully behind the letter and spirit of the 1950 Big Three declaration.

French Foreign Minister Christian Pineau flew to London to confer with British government leaders on the crisis. French Premier Guy Mollet called the National Assembly into special session to-night to hear a statement from him on British-French policy in the Middle East.

Iraq, Egypt's rival for leadership of the Arab world, offered troops to help the Egyptians. Iraqi forces already on the Jordan border could strike at Israel's northeast frontier at the opposite end of the country from the Egyptian front.

The Iraqi foreign minister warned the United States and British ambassadors and the French charge d'affaires that Iraq would go to war with Israel unless the attack on Egypt was halted.

Jordan's top etc.

Jordan's top government and military officials met hurriedly but a Jordan army spokesman said no request had been received yet from Egypt for aid.

Syria's army was alerted and a state of emergency was declared along the Syrian-Israeli frontier.

More than 450 American women and children were evacuated hastily from Israel, Jordan and Syria. They included 61 relatives of government employees in Tel Aviv, taken to Athens; 275 airlifted from Amman, Jordan, to Beirut, Lebanon; and 75 families who went from Damascus to Beirut.

10 CUBANS ARE SHOT TO DEATH

HAVANA, Cuba (AP) — Cuban police shot dead 10 civilians they described as "insurrectionists" in a gunfight yesterday at the Haitian embassy, where the civilians had taken refuge.

A government announcement implicated the civilians in the assassination Sunday of Col. Antonio Blanco Rico, chief of Cuba's military intelligence. It said the civilians fled to the embassy after Blanco Rico was shot down outside a cafe.

After receiving a tip telephoned from the embassy, police surrounded the building in the fashionable Miramar section of Havana. The Haitian ambassador was absent from the embassy, and none of his staff was hurt.

Brig. Rafael Salas Canizares, chief of the national police, was seriously wounded in the gunfight. He was shot six times.

President Fulgencio Batista accused exiled former President Carlos Prío Socarras and leaders of the Havana University Students Federation of ordering Blanco Rico's assassination. In Miami, Prío denied the charge.

Last night a small bomb exploded at a rear door of the Havana city hall, causing some damage but no injuries.

JAYCEES WILL
HOLD PARTY ON
WEDNESDAY AT 7

A Halloween block party will be held for the public on Wednesday evening from 7 to 9 o'clock in the vicinity of the Rolling Acres Elementary School, E. Myrtle St., under the sponsorship of the Littlestown Junior Chamber of Commerce. There will be a small charge for the games. Dancing to recorded music will continue after 9 p.m. Refreshments will be available, including ginger bread, cider, candied apples and sandwiches.

Prizes for costumes will be given in four age groups: Pre-school, elementary, teen-age and adult; for the most comical most gruesome and best dressed. The prize winners will be selected during the grand march, by a group of out-of-town judges. Richard D. Thomas is chairman of the committee on arrangements.

There will be a Democratic Rally in Littlestown this evening, 8 o'clock, at Bankert's Restaurant, N. Queen St. Candidates will be present to speak. Refreshments will be served. The public is invited to attend.

Brownies Hold Party
The Brownies of Troop 51 enjoyed a Halloween party in connection with their meeting on Saturday morning in the engine house. The meeting opened with the pledge to the flag, Brownie Promise in unison, and a song. Mrs. L. Robert Snyder, assistant leader, was pianist for the grand march, and prizes were given for costumes. Group games were played and refreshments were enjoyed.

An important meeting of the troop committee members of Troop 51 will be held at the home of the leader, Mrs. Leonard Kerschner, Lumber St., on Thursday at 8 p.m.

Plan Benefit Party

The annual Halloween party for the children of members of the Littlestown and Vicinity will this year be for the benefit of the United Nations Children's Fund. The club-sponsored UNICEF party for the benefit of all the world's children will take place in the community on Wednesday evening, Halloween, starting at 6 p.m., when the children will meet at the POS of A Hall, E. King St. The children will ring doorbells asking for coins for UNICEF, not for themselves. They will be identified by the coin boxes which they carry, on which will be an official sticker.

Boys and girls who participate in "Treats for UNICEF" will enjoy refreshments to be served following the solicitation, about 7:15 p.m., at the POS of A Hall.

Clair A. Redding, Gettysburg,
Among 4 Pennsylvanians Named
To 'Who's Who Among Students'

Four Pennsylvanians are among the twelve senior students at Mount St. Mary's College, Emmitsburg, nominated for inclusion in the current volume of "Who's Who Among Students in American Universities and Colleges."

Named for inclusion are Clair A. Redding, R. 2; William Anderson, Harrisburg; James Delaney, and Robert McNelis, both of Chester. Redding, a pre-theological student for the diocese of Harrisburg, has been treasurer of the Glee Club, vice president of the Science Club and chairman of the Baltimore-Washington Regional Science Commission of the National Federation of Catholic College Students. He is also a member of the Tierney Honor Society.

Delaney, a graduate of St. James High and a pre-theological student, was president of his class as a freshman, sophomore and junior. He was sports editor and then editor-in-chief of the Mountain Echo, the campus paper. He served as recorder and financial secretary of the Knights of Columbus and was a member of the following organizations: Shamrock Club, Sock and Buskin, Bishop Sheen Mission Unit, and the Mantle Staff. He is a member of the Tierney Honor Society.

Anderson, a science major, is a graduate of Harrisburg Catholic High School. He is secretary-treasurer of the Knights of Columbus and the Shamrock Club. He was vice chairman of the Science Commission of the National Federation of Catholic College Students for the Baltimore-Washington area and co-editor of the NCCS Science News Notes. He was a member of the varsity track team during his freshman year. He is a member of the Tierney Honor Society.

McNelis, a graduate of St. James

CLAIR A. REDDING

High, is president of the Monogram Club and a varsity letter winner in both track and basketball. He is secretary of both the Shamrock Club and the Tri-State Club. He is a member of the Athletic Association, the Bishop Sheen Mission Unit and the Knights of Columbus. He is circulation manager of The Mountain Echo and a member of the Tierney Honor Society.

Others elected for inclusion in the annual student directory are: Mark Baden, Upper Marlboro, Md.; Terrence Rixford, Pittsburgh, Mass.; James R. Colbeck, Towson, Md.; Daniel Mooney, LeRoy, N. Y.; William Ross, Yorkers, N. Y.; Dean Sprague, Cadillac, Mich.; John Sullivan, Washington, D. C.; and Cicero Tennant, Richmond, Va.

Students were elected for recognition by a committee representative of the student body, the faculty and administration. Selection was based on superior scholarship, leadership, participation in extracurricular activities and promise of future usefulness. The publication is the official directory of the distinguished students from universities and colleges throughout America.

HUNTER HIT BY
MANY PELLETS

A Carlisle man, Richard Reeser, 31, was struck in nearly every part of his body by shotgun pellets while hunting Saturday on the farm of John Roland, East Berlin R. 1.

State police said Reeser was treated at West Side Osteopathic Hospital, York, but refused to allow himself to be admitted and finally was discharged after he signed a release.

Charles Roland, 26, Mechanicsburg, who was with Reeser, was struck on the left forefinger by the same blast and was treated at the hospital.

John Roland, York, brother of Charles and grandson of the owner of the land, told a reporter he believed the shot came from one of three hunters nearby.

He said he, his brother and Reeser were hunting a pheasant flew over their heads and four shots were heard, one of them apparently striking Reeser.

Adams County game protector are to investigate the shooting Monday.

Mike Parenti, 6 foot 7 St. John University center, has tallied 81 points during his two seasons of varsity competition.

FIRM TO QUIT
HOME APPLIANCE

NEW YORK (P) — Avco Manufacturing Corp. says it is quitting the home appliance field because of what it describes as "increasingly severe" competition.

The company announced yesterday it will discontinue manufacturing its Crosley and Bendix home appliances.

Victor Emanuel, chairman and president, said the appliance industry is "plagued with large over-capacities and has been rampant with price-cutting despite rising costs of labor, material, and most other items."

Emanuel also said negotiations are being concluded with a "major manufacturer" for the sale of the Bendix Division. He refused to identify the firm, but it was reported the firm involved was the Philco Corp.

In Philadelphia, a Philco spokesman declined to comment on the

report. Other sources there said Philco had to wait until Avco disclosed the sale.

The Bendix Division manufactures automatic washers, dryers, ironers and combination washer-dryers. The Crosley Division makes refrigerators, freezers, radio-TV receivers and ranges.

Instead of the Cosley-Bendix appliances, Emanuel said Avco would concentrate on its more profitable activities in the field of civilian and military electronics, aircraft engines and parts, broadcasting and kitchen cabinets.

DALLAS (P) — Dr. Arthur S. Flemming, director of defense mobilization, says he has every reason to believe emergency plans can be put into effect quickly should the flow of Middle East oil to western Europe be stopped. Flemming said a special Middle East emergency committee, operating under the Interior Department, has been studying possible emergency actions to be taken should the Suez crisis disrupt western Europe's oil sources.

LIPPY'S MEN'S WEAR

TAILORS AND HABERDASHERS
CHAMBERSBURG STREET GETTYSBURG, PA.1957 STUDEBAKER IS NOW ON
DISPLAY AT C. W. EPLEY'S

1957 STUDEBAKER PRESIDENT MAKES ITS DEBUT AT EPLEY'S

The new 1957 Studebaker, sharply restyled and featuring a soft-level ride, slippery road control and increased engine power, is now on display at the C. W. Epley showrooms, Harold E. Churchill, president of the Studebaker-Packard Corp., has announced.

Rolling off the production lines at South Bend, Ind., are 15 sedan and station wagons in three different series.

Heading the list are the President Classic with a 225-horsepower engine, the Commander V-8, the Champion six-cylinder and the Hawk Sports series. All of the cars

are two inches longer, emphasizing big car design. The Classic's 120½-inch wheelbase is the longest in the low-price field, Churchill said.

The station wagon series has been expanded with the addition of four-door models for the first time. The two new four-door models are almost six inches longer than the 1956 station wagons.

One of the featured safety devices is the "Twin-Traction" differential, which automatically divides engine power between the rear wheels in the proportions necessary to stop wheel slipping and spinning under adverse driving conditions. Another automotive advance in-

corporated in the Studebaker is the "Luxury Level" ride with variable coil springing, permitting a smooth ride over rough roads.

New on the V-8 models for 1957 will be the improved, faster steering. New and larger tail lamps, widening the rear of the new model, have been added. "Sculptured in Steel" styling has been the theme in the new production, radically different from the 1956 model.

The 1957 station wagons have been designed with big space requirements in mind. There is ample room for six passengers on the wide seats and a load carrying capacity of 65 cubic feet.

Out Of The Past

From the Files of the

FIFTY YEARS AGO

No physician in Adams county,
nor in the State of Pennsylvania,
can conscientiously vote for Wm.
T. Creasy for Auditor General if
he considers the stand taken by
Mr. Creasy a few years ago to
legalize the osteopathy in a bill
(only for the Governor's veto)
which would have made it illegal
for physicians to practice massage.

How can any physician support
a man who opposes his interests?

Wedding Bells: Dale — McPherson — As noted in our last
issue Dale — McPherson wedding
took place at the time stated. The
wedding was a very quiet one,
being attended only by the im-
mediate friends of the contracting
parties, Mrs. McPherson, mother
of the bride, being ill.

Promptly at the appointed hour
the party entered the parlor, which
was beautifully decorated, to the
strains of Lohengrin's wedding
march, played by Mrs. John Bruce
McPherson, of Boston, Mass. Rev.
D. W. Woods, Jr., performed the
ceremony, and John Bruce McPherson,
brother of the bride, gave
here away. As previously noted,
Miss McPherson was handsomely
gowned in satin, trimmed with
Duchess lace. After the ceremony
a wedding breakfast was served,
and the party left on the 3.45
train for an extended trip.

The bride is one of Gettysburg's
most estimable and popular young
ladies, and the groom, well known
here, is a prominent physician of
Belleville.

Those present were: Mr. and
Mrs. John Bruce McPherson and
son, Carroll, Boston, Mass.; Dr.
and Mrs. J. Y. Dale and Misses
Catharine and Edith Dale, Lemont;
William L. McPherson, New York;
Norman C. McPherson, Pittsburgh;
Miss Hittner, Pottstown; Misses

Hon. D. P. McPherson and Miss
Bessie Baugher.

Plank-Wolf: On Wednesday eve-
ning at 8 o'clock Emory J. Plank
and Miss Maggie Wolf, two of
Gettysburg's very popular young
people, were married by Dr. T.
C. Billheimer, at the latter's resi-
dence.

Following the marriage a recep-
tion was held at the bride's home
and was attended by many friends
of the bride and groom.

The bride is a granddaughter of
the late ex-Governor George Wolf
and the groom is a member of
the well known plumbing firm of
A. B. Plank & Bro.

We extend best wishes to the
happy couple.

Anstadt — Jones: Rev. Henry
Anstadt, the very able pastor of
Christ Lutheran church, was mar-
ried Tuesday to Miss Emma
Cavender Jones, of New York City,
formerly of York. The ceremony
occurred in the Church of the
Puritans, New York, and was per-
formed by the Rev. W. W. Anstadt,
of Hollidaysburg, a brother of the
groom, and Rev. C. J. Young, pas-
tor of the church.

After Rev. and Mrs. Anstadt re-
turn from their wedding tour they
will reside in the parsonage on
Chambersburg street, where they
will be at home after the 20th of
November.

A HEART AT EASE

No one can be at peace with
oneself with an unhappy heart. I
read where Corot, the great French
painter, was a very generous man
and gave lavishly of what he
earned. He said he painted better
with "a heart at ease." This after
he had given something to an un-
fortunate one.

So few people ever study the
working of the human heart. It is
the most sensitive organ in the
body. In a spiritual sense, how-
ever, if that heart is not at ease
the entire physical organism is
affected. There is nothing construc-
tive to an unhappy heart — one
that is not "at ease."

The physician can do marvelous
things with the physical heart, but
only God can give ease, comfort
and courage to the spiritual heart.
Only He can fathom its depth and
discover its needs, and only He
can supply them. Nothing of a
material nature can bring aid or
hope to the spiritual heart. It has
a birth and a life all its own.

I know one thing — you can't
get happiness without giving it. It
is this procedure that gives to us
all the friends we have. And the
more happiness we spread around,
the nearer those friends keep to us
throughout life. How emphatic is
that silent voice in the heart that
comes to our rescue when lowest
in spirit and most alone! It's as
though you just walked out on a
white cloud in the blue sky, the
moment that the gold in the sun
spread a path there!

To Nature must we continually
appeal. Her voice and songs are
always in perfect unity. When we
are most alone, and bereft of im-
mediate wise counsel, Nature is
always near with many a silent
message of hope and good will.
You see, God's agents are every-
where you look in the outer world.
You walk over God's miracles, and
there is good-will in every touch
of color, and so harmonious!

Tomorrow Mr. Adams will talk
on the subject: "Save!"

Just Folks

NICE GUY

The nice guy kept his temper well.

He liked his men and praised them all.

He never raised his voice to yell.

He took with grace the umpire's call.

On friendly terms with friend and foe.

In silence on the bench he'd sit.

But he had men who couldn't throw

And hitters who could seldom hit.

The nice guy had a gracious mind.

Upon his college team he'd played.

Excuses he could always find.

For every costly error made.

Though others in ill-temper raved.

When rival runs came rushing in.

The nice guy perfectly behaved.

Although his players failed to win.

The nice guy always doffed his cap

When introduced to ladies fair.

He was the pleasant sort of chap

That would be welcomed anywhere.

He was to all he knew a friend.

Not fiery as was Tyus Cobb.

And maybe at the season's end

That's why the nice guy lost his job.

court noted that the preliminary
injunction is not prejudicial to the
positions of any of the contending
parties — but simply a court action
to see that teachers are paid, tele-
phone bills are paid, supplies and
equipment are paid for and the
schools kept in operation.

Judge W. C. Sheely also added
that both the Adams County court
and the York County court are
anxious to expedite the final de-
termination of the legality of the
jointure.

Second Pay Day Wednesday

As noted by the court "if some-
thing isn't done now," the East Ber-
lin teachers would have had their
second payless payday Wednesday.
When the jointure was dissolved, at
least as far as Abbotstown, Read-
ing Twp. and Paradise Twp. were
concerned, by two resolutions passed
by those three districts at a meeting
October 8, operation of the joint
school system "froze." While school
continued and buses operated, the
18 East Berlin teachers were not
paid on October 15, and if the court
had taken no action they would not
have been paid Wednesday. Teachers
within Reading Twp., Paradise Twp.
and at Abbotstown were paid be-
cause new contracts had been ne-
gotiated by those boards with their
teachers in supposition that the
joint district no longer existed.

East Berlin and Conewago Inde-
pendent held that the jointure still
existed. When the other districts
forwarded checks to cover "tuition,"
East Berlin refused to cash them,
because that would be admitting
that the jointure was dissolved, and
returned the checks to three dis-
tricts.

"Rights And Remedies"

Discussion in court this morning
and at the meeting of the Adams
County School Board Monday night
indicated that the cessation of any
payments in East Berlin led to such
problems as teachers purchasing
tablets and toilet paper for use of
the youngsters, and protests from
utilities that service would be cut
off if payments were not forthcoming
soon.

The court's action forcing the mat-
ter into judicial inquiry came after
Attorneys Frank B. Boyle and Eu-
gene Hartman held that under the
law there was no way to bring the
matter before the court.

Judge Sheely held that "where
there are legal rights there should
be legal remedies" and thus issued
the injunction to force the matter
into court.

Schools At Stake

Last week the Adams County
court had permitted an amendment
to the original equity action brought
by East Berlin which brought Pa-
radise Twp. into the matter.

Today Paradise's attorney, Frank
R. Boyle, raised the objection that
"an action in equity against a po-
litical sub-division may be brought
in and only in the county in which
the political sub-division is located."
The court agreed with that, which
meant that Paradise could not be
sued in Adams County court. At-
torney Hartman then mentioned
laws which require that all prin-
cipals involved must be in a case
or else there can't be one. The court
agreed to that.

Then Judge Sheely noted that
"the practical problem of schooling
for the children at this moment is
concerned, teachers and other cred-
itors must be paid. There is no joint-
ure into which the other districts
may wish to go, or into which East
Berlin might go, if the jointure is
dissolved, that can take any action
at all until the legal problem of
the East Berlin jointure is resolved."

May Be Decided In York

The court held that "this is an
intolerable situation — the whole
school system is in jeopardy. We do
not feel that the situation should
be out of the jurisdiction of some
court, whether it is Adams County
or York County does not matter."

The judge then handed down the
injunction which will most likely
put the question of the legality of
the dissolution into the hands of
the York County courts, because
the four principals in Adams will
be joined in a York County action
against Paradise.

To meet the terms of the injunc-
tion, Joseph Stoner, vice president
of the Conewago Jointure, called
a special meeting of the boards at
East Berlin this evening at 8 o'clock
to pay bills. It was not immediately
known whether Paradise, which pays
approximately 34 per cent of the
cost of the jointure will be at to-
night's meeting, or whether the
other four will have to pay the full
cost of operating the jointure, as
they must do under the terms of the
injunction unless York County
court hands down a similar injunc-
tion against Paradise when the mat-
ter comes before it.

Order Operators To Bury Coal Refuse

HARRISBURG —Strip mine
operators today are under orders
of the State Sanitary Water Board
to bury coal refuse that could lead
to the acid pollution of streams
in Pennsylvania.

The new regulation issued yes-
terday applies to both hard and
soft coal strip mines where acid
can be formed by the contact of
water with the backfill of a com-
pleted mining operation.

Acid-forming refuse materials
include inferior coal material
known as "rider, rooster, blos-
some and honey" as well as other
sulphur-bearing substances.

music of the Renaissance and
Baroque periods.

The concert, made possible
through the bequest of Mrs.

open to the public without charge.
Kirkpatrick's concert tours have
taken him throughout Europe. In
1955 he appeared at the Beach Festi-

These materials, the board said,

of the spoil pile along the low
wall side of the court.

The regulation requires that op-

Warriors Top Waynesboro 12-6 For First Victory; Furney, Little Get TDs

Gettysburg High School's football squad crashed into the victory column for the first time this season when it came from behind to gain a hard-earned 12-6 South Penn Conference victory over Waynesboro here Monday evening before a thin crowd of about 800 fans.

Bob Furney, freshman fullback, crashed through for the Warriors' initial touchdown of the campaign after 3:30 minutes of the second quarter.

The victory lifted the Warriors from the basement of the conference and pushed Waynesboro into that undesired spot. Waynesboro, winless in six games, has lost four league affairs.

Using the combined talents of quarterbacks Joel Riddimoser and Dick Pyle and switching Earl Little over to the half back slot, while Ken Mummert and Bob Furney retained their old positions at right half and fullback respectively, the Warrior backfield was strengthened tremendously, while the whole squad was an improved ball club. Surrounded by the help of Sophomores in the line and backfield, Earl Little, playing his first full game after being sidelined by a fractured thumb, proved to be the big gun as he ripped the Waynesboro defense in pieces by his brilliant running and excellent pass receiving that helped the Warriors in their passing average department.

Indiana Score First
Waynesboro was the first to break the ice when they tallied in the initial period. The ball had exchanged hands twice before the Indians started moving the pigskin rapidly down field to the Warrior six yard line. The key play of the drive was a 56-yard pass play that went from Cleve Gardenhour to Eric Stouffer to halfback Bill Shank. Fullback Ron Mowen then bolted his way through from the six to give the Waynesboro outfit a 6-0 lead. The kick for the point was wide.

Gettysburg came roaring back in the second quarter to show the fans a fine burst of power. Earl Little picked up 24 yards on two carries, while Ken Mummert added two more before Joel Riddimoser skirted right end for 25 yards placing the ball on the opponents' 12 yard line. On the first play from scrimmage, Furney crashed through the center of the line for the first Gettysburg score of the year. Little's attempt for the extra point was wide and at the end of the first half, the count was knotted at 6-6.

Little Goes 14
The fighting Warriors pulled their second surprise of the game when they began knocking on the goal line of Waynesboro in the third frame with only four minutes gone by in the quarter. Bob Furney snatched an Indian fumble in mid-air and darted to the visitors' nine-yard line. After Gettysburg was penalized and Riddimoser was stopped at the line, Little took the ball and put on a fine exhibition of side-stepping around left end for the remaining 14 yards and Gettysburg's second score. Again Little's kick for the point was wide.

Training in the final frame Waynesboro took to the air lanes but to no avail. Gettysburg's defense held the opponents in check throughout the final quarter and both teams settled down to an even battle of football with play being carried on in the center of the field.

Big Improvement
The entire all-around play of the Warriors was a vast improvement over previous performances. Particular improvement was noted in the hard-charging line and determined efforts of the ball-carriers which had been so noticeably lacking.

Owner Of 49ers To Go After Bert Bell

SAN FRANCISCO (AP)—Tony Morabito, co-owner of the San Francisco 49ers, today said he would try to get Bert Bell, the National Football League commissioner, fired when the league meets in January. "I don't know how far I'll get," Morabito said, "but there are other directors I'm sure, who feel the same way I do, although I fully realize I can't speak for them."

After the 49ers lost 38-21 to the Chicago Bears Sunday, Morabito called Bell an "incompetent dictator." The 49ers' owner was incensed about the officiating, although he said the Bears were a superior team.

In Philadelphia, Bell told the San Francisco Chronicle "the only way in the book to fire me is for moral turpitude . . . and it would cost \$400,000 to buy up my contract."

GETS SHOT AT "SUGAR"
NEW YORK (AP)—Bob Provizzi of Freehold, Pa., gets a crack at world middleweight champion Sugar Ray Robinson in a 10-round non-title bout at New Haven, Conn., Nov. 10. The match signed yesterday will provide Robinson with a tuneup for his championship defense against Gene Fullmer.

LAUSANNE, Switzerland (AP)—The Hungarian Olympic team has left Budapest by plane en route to the games at Melbourne beginning Nov. 22, the International Olympic Committee announced today.

The committee yesterday had appealed to Hungary through the Swiss legation in revolt-torn Budapest to arrange an "Olympic truce" to permit the athletes to leave for Melbourne with safe conduct from both the government and the rebels.

Princeton Back Faces Operation

PRINCETON, N.J. (AP)—Sophomore fullback Fred Tiley of Lansford, Pa., a big factor in Princeton's undefeated march this year, will undergo a minor operation at Presbyterian Hospital in New York City later this week.

Tiley broke his collarbone during the Cornell game Saturday when Bo Robertson slipped through the Princeton line to dump him after a 47 yard run.

The break and the operation will definitely put Tiley out of the line-up for the rest of the season, according to Princeton Coach Charley Caldwell. He said Tiley should be in good shape next year.

Hewes Agnew, who entered the game in the first quarter after Tiley's injury, will be the starting fullback, Caldwell said. Agnew ran for four of the Tiger touchdowns in its 32-21 win.

SPORTS IN BRIEF

LANSING, Mich.—A leg injury suffered by Michigan State halfback Clarence Peaks in the Illinois game has ended his football career.

MAJOR LEAGUE ALL-STAR NINE IS SELECTED

By BEN OLAN

NEW YORK (AP)—A heavy-hitting major league All-Star team, with six American Leaguers including Mickey Mantle, Ted Williams and Yogi Berra, was selected today by members of the Baseball Writers' Assn. of America in the annual Associated Press poll.

The powerful array was backed up by Brooklyn righthander Don Newcombe and Billy Pierce, Chicago White Sox lefthander, who drew a majority of the votes cast for pitchers.

Mantle, the American League leader in home runs, runs batted in and batting average, was named to an outfield spot on 202 of the 205 ballots.

Three Repeaters

Milwaukee's Hank Aaron, the National League's batting leader, and Williams took the other outfield berths. The Boston Red Sox's slugger edged Al Kaline of Detroit, who received 79 votes to Williams' 83.

Williams, first baseman Ted Kluszewski of Cincinnati and second baseman Nellie Fox of the White Sox are the only repeaters from last year's "dream" team. Kluszewski beat out Stan Musial of St. Louis—94 votes to 60. Stan also got 25 "firsts" for the outfield where he played the first two months of the season.

Rounding out the All-Stars were third baseman Ken Boyer of the St. Louis Cardinals and shortstop Harvey Kuenn of Detroit.

Newcombe In Front

Boyer collected 118 votes to 70 for Eddie Mathews of the Braves. Kuenn was an overwhelming favorite of the writers, receiving 146 votes to only 30 for Roy McMillan of Cincinnati, the runnerup.

Berra, the World Series batting star for the Yankees, grabbed 196 votes.

Newcombe, a 27-game winner, finished far in front in the balloting for the top righthanded pitcher. He picked up 185 votes.

Pierce also won easily with 127 first-places. Whitey Ford of the Yankees was next with 48.

Except for the pitchers, only Fox and Berra among those selected batted under 300. Berra wound up at 298 with 30 home runs and 105 runs batted in. Fox hit 296.

Collectively, the All-Stars had 1,407 hits in 4,415 times at bat for a .312 average.

NORKUS WINS SLOW BATTLE

NEW YORK (AP)—Charley Norkus, one of the more promising heavies of a few seasons back, has begun his comeback with a victory—but an unimpressive one.

Norkus, a 28-year-old blond from Port Washington, N. Y., managed to puff through to a 10-round decision over Joe Rowan of Phoenixville, Pa., at St. Nicholas Arena last night.

Norkus, fighting for only the third in two years, was sluggish at the start against Rowan and tired in the last round. But he showed enough in the middle rounds to win a unanimous vote from the officials in a generally dull bout. Judges Bert Grand and Mike Davidowitch scored it 6-4 and referee Al Berl 5-4-1. The AP count was 6-4 for Norkus.

Norkus weighed 195½, Rowan 185. The bout, televised to parts of the country, drew 1,590 paying \$2.95.

Delone Rolls To Easy 51-6 Decision Over Outclassed Scotland Cadets On Monday

Delone Catholic tuned up for its big game with Harrisburg Catholic at McSherrystown next Sunday afternoon by running roughshod over outclassed Scotland 51-6 on the latter's field Monday afternoon.

Larry Hockensmith spearheaded the Squires' assault and accounted for three touchdowns on runs of 20, 16 and 2 yards. "Bucky" Washington, John Gastley and Richie Hemler, all of Gettysburg, each scored once, Washington racing 56 yards in the final quarter.

Cadets Score First

Scotland electrified the fans by scoring right after the game opened. An off-side penalty cost the Cadets a score on the kickoff as Don Hughes streaked 96 yards. On the following kickoff Scotland returned the ball to the 17. On the next play Ron Ford took a flare pass from Jack Kennedy and raced 83 yards for the lone Cadet score.

From that point on it was all Delone as the Squires registered a pair of tallies in each period.

Midway in the opening period Mike Conrad took a pass from Hockensmith on a 24-yard touchdown aerial to knot the score. Shortly afterwards Hockensmith got his first tally on a 16-yard end run to put the Squires ahead 12-6 at the quarter.

In the second period Hockensmith raced 20 yards to hit pay dirt while Gastley raced over from the five for the fourth Delone score, Charley Doll adding the point via placement.

Delone Keeps Rolling

Hockensmith got his third TD

shortly after the second half got started on a two-yard thrust. The sixth touchdown came on a 10-yard pass to Phil Staub.

Hemler hit pay dirt early in the last period on a five-yard scamper and the second longest run of the afternoon closed the scoring when Washington sped 56 yards.

The triumph lifted Delone's impressive record to six wins against one loss and a tie.

The lineups:

264,000 Game Birds Released By Game Commission This Year

About 264,000 game birds were liberated in Pennsylvania by the Game Commission this year or will be stocked in appropriate areas before the end of the 1956 small game season. Following are details of these releases as provided by the agency's Propagation Division.

Ring-necked Pheasants: Approximately 52,000 pheasants, above-venery cocks and hens, were turned loose this spring. Over 17,000 of these birds, in the ratio of 1 male to 10 females, were released last June.

During the current month 22,000 cocks and 9,000 hens will be liberated. During November, in-season releases of 12,000 cock pheasants will be made. Final figures on the pheasant chick program have been tabulated, but on the basis of the number supplied to qualified farmers and the percentage of rearing success last year it is anticipated approximately 130,000 of these birds will be liberated prior to and during the 1956 season. The ratio will be about 50-50, cocks and hens.

Liberate 6,000 Quail

Bobwhite Quail: 6,000 quail were

liberated on agricultural land in the Commonwealth this spring. The sex ratio was half males and half females. In the summer 250 pairs of breeders were set free on farms. About 2,500 of these desirable little birds were released this fall. They will be about evenly males and females.

Wild Turkeys: Approximately 3,000 of these great birds, one gobble to 5 hens, were turned loose in appropriate places the spring of this year. This month, prior to the opening season on October 20, about 3,000 young toms will be taken from hardening pens, where they have been conditioned to the wild, and liberated in likely mountain sections of the state.

Ducks: Over 7,500 mallard ducks and 110 Canada geese were released by the Commission on desirable water areas within Pennsylvania during 1956. All the ducks were banded with Pennsylvania Game Commission aluminum leg bands. The geese were banded with both aluminum and colored plexiglass bands.

OKLAHOMA IS BACK ON TOP IN GRID POLL

The Associated Press
Oklahoma's one-week exile from the top spot in college football is over. To the surprise of no one, a 40-0 walloping of whipping boy Notre Dame coupled with Michigan State's loss to Illinois regained for the powerful Sooners the No. 1 ranking in the weekly Associated Press poll.

The weekend activities, in which form suffered its worst relapse of the season, drew out the heaviest vote of the year from the nation's sports writers and sportscasters.

Roughly 77 per cent, 143 out of 186, named Bud Wilkinson's Sooners first. Among other contenders, only Georgia Tech, which moved up to second, and Tennessee, now third, got more than a handful of first-place support.

Tech was named first on 31 ballots after making Tulane its fifth straight victim 40-0. Tennessee, also 5-0, drew eight first-place votes.

Michigan State, which displaced Oklahoma a week ago as the national leader after a 47-14 whacking of Notre Dame, slipped back to fourth place with nary a top vote. Last week, the Spartans had 96.

The Rams' pass defense coach, Jack Faulkner, explained it this way today:

"It's the Rams' new 'closed circuit' TV gimmick. With this, an assistant coach, located up in the press box, can diagram plays and make adjustments down onto the field, where they are picked up on a 17-inch monitor.

"The players gather 'round and see the whole picture in a nutshell—or in a mahogany case, to be exact."

PROMOTED IN NAVY

Edward Combs, son of Mr. and Mrs. Cooley Combs, of Emmitsburg, has been promoted from lieutenant commander to commander, United States Naval Reserve.

He received his commission as ensign from the reserve school at the U. S. Naval Academy, Annapolis, Md.

He served from 1942 to 1945 on board ship in the Atlantic and Pacific.

He is a graduate of Mt. St. Mary's College, Emmitsburg, and Dickinson School of Law, Carlisle, and is a member of the Maryland State Bar Association.

U.S. EVACUATING CITIZENS FROM MIDDLE EAST

JERUSALEM (AP)—Israel mobilized its reserves and the United States began the evacuation of some of its citizens from four Middle East states Monday in the since 1948.

Israel, announcing the callup of reserve battalions in what it termed a "partial mobilization," denied it had any aggressive intent.

Tension in Israel has mounted since Jordan, which has the longest frontier with Israel of any Arab state, formed a joint military command with Syria and Egypt last week. A pro-Egyptian Parliament was elected in Jordan a week ago.

President Eisenhower, taking a grave view of the mobilization, sent two messages to Israeli Premier David Ben-Gurion. Washington reports said Israel had mobilized from 150,000 to 200,000 men along her frontiers.

In the Israeli side of Jerusalem regular traffic and business were slowed by a heavy movement of troops, guns, tanks and reservists. From 7,000 to 8,000 Americans

in Egypt, Israel, Jordan and Syria were affected by State Department warnings and orders to leave for points of safety. Tourists, business people and others in the four countries not performing "essential functions" were urged to leave. Dependents of U. S. government officials were evacuated "as soon as possible" by commercial planes, they were told.

Dependents in Jordan were told the first flight to take them to Beirut, Lebanon, was leaving at 2 p. m. today.

Report "Suicide Bands"

The air of crisis was heightened by the announcement of Israeli military authorities today that three suicide bands of Arab commandos had crossed into Israel from the Egyptian-held Gaza Strip last night and two of the groups were captured. Increased activity of these bands was one reason given for the Israeli mobilization.

The Israeli cabinet met in an emergency session for 2½ hours today. British and American ambassadors had separate meetings with Premier Ben-Gurion and Foreign Minister Golda Meir.

Jordan's tough little army, formerly called the Arab Legion, was reported deployed on the west bank of the Jordan ready to take the brunt of any Israeli attack. Jordan has defense alliances with Britain, as well as separate treaties with Iraq and with Syria and Egypt.

Walter Evans Edge Expires Thursday

NEW YORK (AP)—Walter Evans Edge, 82-year-old former governor of New Jersey, died Monday in Memorial Hospital from uremic poisoning.

He had been in the hospital since Oct. 11 and had undergone two operations, the latest Friday. His family was at his bedside.

Edge was a self-made businessman who took his business acumen into politics.

He served as governor of New Jersey during the periods of two world wars and was ambassador to France during the Hoover administration.

Edge, born Nov. 20, 1873, in Philadelphia, was a power in Republican politics both on the state and national level.

He was one of the first prominent public figures to back Gen. Dwight D. Eisenhower for the presidency in 1951. He served as a delegate-at-large at 10 Republican presidential nominating conventions.

UNEASY CALM IN SINGAPORE

SINGAPORE (AP)—Scattered outbreaks marred an uneasy calm in Singapore Monday as the strife-torn colony passed its first peaceful day since anti-government riots flared Thursday.

Police and troops patrolled the city and authorities lifted the tight curfew for four hours to permit residents to attend to essential business and buy food.

Chinese Communists reportedly stoned some cars as thousands hastened to the business district. But there was no recurrence of the Communist-led mass violence which killed 16 persons and injured about 200.

The Singapore rubber market operated for about two hours.

The violence erupted Thursday night when police moved to break a sitdown strike by students at two Chinese high schools. The pupils were protesting a government ban on their student union labeled a Communist front.

MAHANY QUILTS COMMISSION FOR STUDY OF TAXES

HARRISBURG (AP)—Sen. Rowland B. Mahany, Senate Republican floor leader, has resigned from the governor's Tax Study Commission, saying it was a "smoke screen" for Democratic candidates "to hide behind until after election."

Mahany recommended a three-point program for solving the commonwealth's money problems, including continuance of the 3 per cent sales tax.

In his letter of resignation over the weekend, Mahany said Gov. Leader used "the tax study commission as a cat's paw to pull the Democratic candidates' political chestnuts out of the fire until after election."

Leader said last Tuesday he believed legislative candidates should withhold a final commitment on taxes until the Tax Study Committee makes its report to the 1957 Legislature.

The governor, commenting on the resignation, said the commission was set up to make "a sincere effort in rising above partisan politics in dealing with the problem of developing a proper tax structure which will permit industry to develop and expand in the commonwealth."

3 Recommendations
Leader said Mahany "seemed to be in agreement with this approach" when the commission was set up.

Mahany said that if his three-point program were adopted additional state taxes would be unnecessary at the 1957 session of the Legislature which opens in January.

His recommendations:
1. "Reduce the number of state employees by 5,000, which is approximately the number you added since you took office."

2. "Put into effect the 100 million dollars in saving you promised the people when you were running for office."

3. "Keep the sales and use tax

Says Russia Is Pouring Troops In

LONDON (AP)—Foreign Secretary Selwyn Lloyd said Monday the Soviet Union is pouring more troops into strife-torn Hungary in stead of withdrawing units already there.

He told the House of Commons some Soviet units and the Hungarian security police "behaved with the utmost ruthlessness" in attempting to put down the Hungarian revolt.

"With regard to Soviet troops, our latest information is that they have not yet withdrawn from Budapest," he said. "Our information is that further Soviet troops are being moved into Hungary and brought to the capital."

Report Shortage Of Trained Nurses

Despite the combined efforts of many authorities to attempt to alleviate a severe and critical situation, reliable sources report that an even greater shortage still exists in trained nursing personnel.

The ever increasing demand for nurses in hospitals, clinics, convalescent homes, institutions, doctors' offices and private homes has placed a heavy strain upon the present supply of nurses. Today, thousands of nurses are wanted and trained practical nurses are helping to fill

at 3 per cent and make it more clear and precise in its definition. Mahany is not up for re-election this year.

DEMPSEY IS IN HOSPITAL

CHICAGO (AP)—Jack Dempsey, the old Manassa Mauler, was reported resting comfortably in St. Luke's Hospital Monday.

Dempsey, who reigned as heavyweight boxing champion of the world from 1919 to 1926, entered the hospital Sunday. He was reported to be suffering from fatigue, a virus condition and a muscle strain in his left leg.

Dempsey, 61, said he had been ordered by his doctor, Joseph A. Davis, to take "a complete rest" for a few days.

Dr. Davis attributed Dempsey's run-down condition to his heavy schedule of activities, including frequent appearances at benefits, dinners and other festivities at which he was urged to appear.

Dempsey came here from New York Wednesday to attend the Chicago Press Veterans' annual dinner.

He collapsed Friday night. Dempsey said he "wasn't sure" how he strained his leg muscle. He said he plans to leave the hospital Friday to fly to Hollywood for the start of a picture "The Life of Jack Dempsey."

ADLAI CLAIMS IKE TELLS LESS THAN ALL TRUTH

By ERNEST B. VACCARO
BOSTON (AP) — Adlai Stevenson contended today that President Eisenhower has endangered the peace by withholding "the whole truth" about tragic developments abroad.

Stevenson cited the new crisis in the Middle East as an example. He pursued this theme as he carried forward his final week's drive for votes with scheduled speeches in Maryland, New Jersey and Pennsylvania after a roaring reception last night in Boston's Mechanics Hall.

A POST EXCLUSIVE

Confessions of an SOB!

by
DREW PEARSON

At last, Washington's most controversial reporter tells the inside story of his famous scoops, bloopers and battles! And there are no holds barred when Drew Pearson does the talking—even about himself!

Pearson reveals:

- where he gets his inside information that embarrasses congressmen and Presidents
- the facts behind Truman's name-calling outburst
- how he feels about being blamed for Forrester's suicide
- the truth about his famous "first fight" with Sen. McCarthy
- how F.D.R. attempted to squelch his news career

You won't want to miss this straight-talking article, starting in this week's Saturday Evening Post.

Israel's military forces had struck across the Egyptian frontier toward the Suez Canal, the Democratic standard bearer said it was hard to speak "about today's ominous and confusing developments in the Middle East."

"But I must say this — and it is only to repeat what I have been saying throughout this campaign," he said. "The government in Washington has been telling us that all is well in the world, that there is peace, that there is — as the President announced only a few days ago — 'good news' from the Middle East."

"These reassurances — as today's news confirms — have been tragically less than the truth. The world we walk on is mined with trouble from Korea to the Straits of Gibraltar, and we're entitled to be trusted. 'We've got to be ready to meet our problems, to face them squarely and make the right decisions. How can we unless we are told the whole truth?'"

"Instead, during four years of critical history, we've been patted on the back and patted on the head and told that everything's all right. This is dangerous — dangerous to our very survival in a troubled world."

Stevenson campaigns today in Baltimore, Camden, N.J., and Philadelphia.

He winds up the day with a major address at 9:30 p.m. on the University of Pennsylvania campus.

He found a receptive audience in Boston in the jam-packed hall where Democratic Sen. John F. Kennedy shared the platform with him along with Foster Furcolo, the party's candidate for governor.

Stevenson roused the party workers to cheers, whistling and

U. S. CHARGES RUSS ABUSE OF "PRIVILEGES"

UNITED NATIONS (AP) — The United States has accused the second secretary of the Soviet U. N. delegation of helping to spirit little Tanya Chawstov out of America and has demanded his recall.

Henry Cabot Lodge Jr., chief U. S. delegate to the U. N., delivered a note to the Russian delegation saying that the actions of Second Secretary Konstantin P. Eki-

foot-stamping with such criticism as his point that the Republicans are basing their campaign on the theme, "Don't Worry — Just Trust Ike."

Meanwhile, Stevenson revised his campaign schedule to include another trip to hilly Minnesota, where 11 electoral votes are at stake.

In his Boston speech he continued to argue that Eisenhower has virtually abdicated his leadership, but conceded his campaigning ability.

After he concluded his formal talk over nation-wide TV, the audience called for more and he continued for another five to ten minutes.

mov "constitute an abuse of the privilege of his residence in the United States."

The note continued that Eki-mov's actions "were outside the scope of his official capacity, . . . and therefore in violation of the provisions of the headquarters agreements between the United States and the United Nations."

Russia in the past has complied promptly with such requests.

Tanya, 2½ years old and born in America, was taken to England Oct. 3 by her Russian-born father Alexei Chawstov over the protests of her mother, Mrs. George Dieczok of Detroit. Chawstov was trying to take the child to Russia, but a custody suit brought in England by Mrs. Dieczok halted the flight in London. The child is being held there as a ward of the court until the suit is decided.

Long, lean, and packed with punch, the new Ford Fairlane 500 is actually larger than many medium-priced cars . . . and it's offered at low Ford prices!

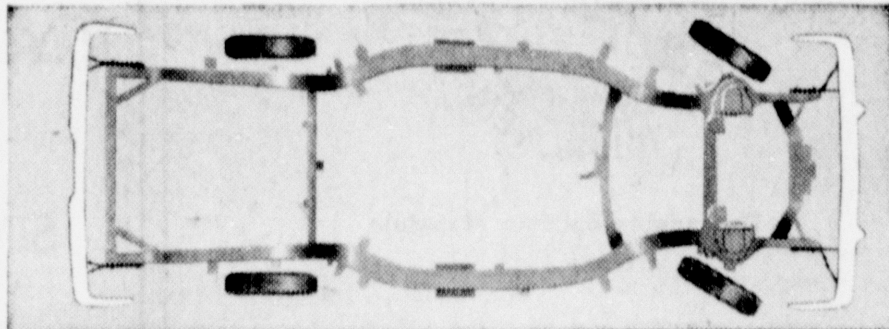

What's new in the new kind of Ford

Custom and Custom 300

Fairlane and Fairlane 500

NEW choice of sizes. These '57 Fords really make "big" a low-priced word. The new Ford Custom and the Custom 300 are lower, wider, than any Ford before and over 16 feet long. The Fairlane and the Fairlane 500 are even lower and longer . . . over 17 feet long! Ford is the only car in the

low-price field that comes in two sizes. You'll find them all only roof high to a parking meter . . . and they're as easy to get in and out of as putting the coin in the meter slot! There are 20 beautiful new models to choose from. So there's bound to be one priced for your budget.

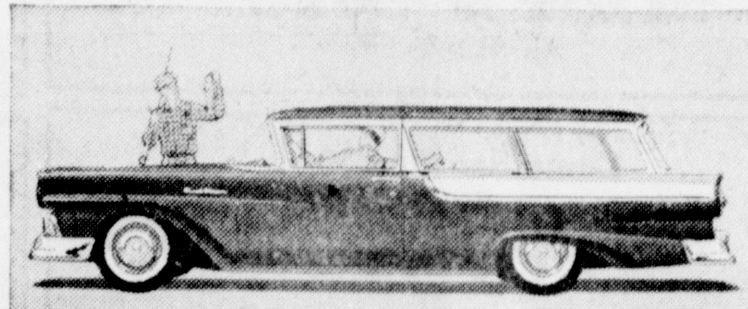

NEW outswEEP chassis design cradles passengers in a new kind of way for a level, smoother ride. It's a completely new chassis idea wherein the frame flares out so that the floor of the rear seat compartment is inside the frame girders. There's more inside room than ever. And there's full road clearance under the heavier frame.

NEW forward-hinged hood — and new engines to go under it! There's a mighty Silver Anniversary V-8 to fit every horsepower need. And there's more power and economy in the new Mileage Maker Six!

NEW hardtop styling in every Fairlane model! Now all Fairlane and Fairlane 500 sedans have strong, thin, new center pillars which are concealed by the trim bright-metal window frames. With the doors closed, you can hardly tell these sedans from hardtops.

NEW low-sweep station wagon roof line. All five of Ford's new station wagons have even more of the beauty and love-for-duty that has made Ford America's favorite wagon. There are three with four doors, two with two doors . . . seating room for up to nine. All are built stronger than ever.

NEW endurance and performance. In the most exhaustive test ever given an automobile, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph—including all pit stops! Nothing built by man ever traveled so far in so short a time—by land or sea!

NEW wider wrap-around rear opening. Ford's new wagons have a wider wrap-around loading providing greater vision, easier loading. In length and width there's room to load a 9-foot boat.

Come in today and see the

RALLY DAY IS OBSERVED WITH S. S. PROGRAM

Rally Day was observed in St. Luke's Reformed Church, near White Hall, on Sunday morning. The Rev. Dr. Edward R. Hamme, Union Mills, former pastor, was the guest speaker.

The program presented was as prayer, Fred Hartlaub, superintendent of the Sunday School; song by the classes taught by Mrs. Edward Newman and Mrs. Robert Gladhill; exercise, "The Boosters," class taught by Mrs. Ralph Flickinger; song, Mrs. Kenneth Dayhoff's class; exercise, "Leaders and Followers," class taught by Mrs. Parr R. Breighner; song, entire school; reading, "Keynote of Rally Day," Edward Newman; vocal duet, Mrs. Robert Spangler and Mrs. Donald Gardner, accompanied by Miss Donna Lee Whisler; address, Dr. Hamme, school song, Lord's Prayer in unison.

The Young People's Society of St. Luke's Church attended the showing of the "Martin Luther" film on Sunday evening at Grace Lutheran Church, Two Taverns. The society went to Grace Church in a body. There were hymn singing and a responsive reading prior to the film. The Rev. Oscar E. Freeman, pastor of the host church, presided. The Young People will hold their regular meeting at the church on Sunday, November 11, at 7 p.m.

Preaches On Luther

"Martin Luther and the Reformation" was the subject of the sermon delivered by the Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, at the Reformation Sunday union vesper service in Christ Evangelical and Reformed Church. The host pastor, the Rev. G. Howard Koons presided and read the Scripture. Prayer was offered by the Rev. Mr. Kammerer. Christ Church Choir sang the anthem "Along the River of Time," George F. Root, accompanied on the organ by Mrs. Jay R. Crouse. The worship concluded with the benediction pronounced by the Rev. Mr. Kammerer.

The union service next Sunday at 7:30 p.m. will be held in St. Paul's Church. The evening's message will be given by the Rev. Porter W. Seiwel, pastor of Redeemer's Evangelical and Reformed Church.

The Junior High Youth Fellowship of Redeemer's Church met on Sunday evening at the church, and the opening devotions included: Call to worship, Richard Seiwel; hymn singing, accompanied by Grizelda Hahn; Scripture, Sally Basehoar; prayer, Ann Kroh. 80 PERSONS NABBED IN RAID

PHILADELPHIA (AP) — A pre-dawn city-wide raid on narcotics traffic today netted 80 persons on charges of selling marijuana.

A force of some 150 policemen and women routed the alleged "pushers" from their beds, clubs, restaurants and even from street corners.

The mass raid was the fourth in Philadelphia within two years—a series which brought commendations from the Senate Judiciary Committee.

Commissioner Thomas Gibbons and Police Capt. Thomas Ferguson headed the detail which assembled in Convention Hall — where President Eisenhower was scheduled to speak tomorrow night.

Several On Pre

Ferguson said the raid concentrated on the marijuana traffic because, as he explained it, previous raids had dried up sources for the stronger and more dangerous narcotic, heroin.

Among those taken in custody today were several who were on parole for previous narcotics arrests.

Two magistrates began hearing pleas as the accused dope sellers were brought into City Hall court rooms.

Ferguson said the arrests, together with those in previous raids and others made by his special investigations squad brought to about 500 the number of narcotics arrests for sales and use in the two-year period.

Morning will have Masses at 8:30, 6:30, and 8 o'clock. Friday morning, All Souls Day, Masses will be at 8:30, 6:30 and 8 o'clock.

On The U. S. Political Front

GREENSBURG, Pa. (AP)—Republican Sen. James H. Duff says Democrat Joseph S. Clark has "willfully and deliberately misrepresented my voting record."

"The Congressional record shows that for the whole four years of the Eisenhower administration I voted 82 per cent of the time on the roll calls," Duff last night told a GOP dinner rally.

In contrast, Duff said, Sen. Estes Kefauver, Democratic vice presidential candidate, had a "very poor" attendance record in the Senate the last four years.

"He (Kefauver) was the bottom man on the totem pole for every one of the four years of the Eisenhower administration," Duff said, adding:

"But my opponent (Clark) conveniently refused to discuss the Kefauver record. He also glibly

skips over the voting record of at least nine Democratic chairman of Senate committees whose voting records have not been as good as mine during the Eisenhower administration."

SALEM, Mo. (AP)—Former President Truman says the leaders of other nations don't know what the United States foreign policy is and the present government "has broken up every friendship the U.S. ever had."

"We ought to know where we are going and explain it to our allies," he said last night at a campaign rally.

"The Republicans say they are for the little man and have brought 50 antitrust suits to prove it, but to this day, not one has been prosecuted," Truman declared.

He contended more persons have gone broke under the Eisenhower administration than in his entire eight years in office. He charged the GOP with "giving away enough offshore oil to support our school system a long time."

PLYMOUTH

TAYLOR OPPOSES CONTEMPT COUNT AGAINST LEADER

HARRISBURG (AP) — Sen. M. Harvey Taylor (R-Dauphin), Senate president pro tempore, says it was a mistake for a Reading engineering firm to have a warrant sworn out against Gov. Leader charging criminal contempt of court.

"I wouldn't have anything to do with it and if I had known I would have advised against it (the warrant)," Taylor told a television panel (WTPA) last night.

The Republican leader referred to a warrant charging Leader with the criminal contempt in connection with the Pennsylvania Turnpike Manu-Mine case.

The, as yet unserved, warrant was sworn out over the weekend by Charles W. Stickler Jr., president of the Manu-Mine Research and Development Co., Reading.

When the warrant will be served on the governor was indefinite as Leader left the state capital yesterday on a campaign trip. However, Constable Harry L. Page said he expected to serve it this week.

Will Invite Press

Thomas K. Hodges, the governor's press secretary, said reporters, photographers and representatives of other news media would be invited to witness serving of the warrant.

A special Dauphin County grand jury yesterday resumed hearing testimony on charges of conspiracy to defraud the Turnpike Commission of 19½ million dollars in

connection with a contract between the former Republican commission and the Manu-Mine for filling mine voids under the North-eastern Extension of the toll road. Taylor told the TV audience it "would be a great mistake to arrest the governor."

He said he would advise against it "because I have respect for the office of governor."

Leader has described the warrant as a "brazen attempt to bind and gag him" and a "direct attack on our freedom of speech and our freedom of the press."

Earl V. Compton, Manu-Mine attorney, said Stickler charged Leader's statements in a television film "improperly tend to bias" the public, the court and the jurors against Manu-Mine.

MARILYN MEETS QUEEN A BIT NERVOUSLY

LONDON (AP) — A nervous Marilyn Monroe was presented to Britain's Queen Elizabeth II last night and found the monarch a "very warm" person.

"She radiates a wonderful womanly essence and softness," said the actress.

The introduction came at the annual royal command film performance where members of the royal family met a group of international film stars.

Chatted About Film

"How do you like living in Windsor?" the Queen asked Marilyn.

The startled actress blinked, said "What?" then hastened to

OPULENT CROWD SEES OPENING OF "MET" MONDAY

By HENRIETTA LEITH
NEW YORK (AP) — One of the most opulent crowds in years, attracted by one of the most spectacular opera star buildups in years, saw the Metropolitan Opera begin its 72nd season last night.

It was the Met's biggest opening-night success financially, with seats sold out long in advance and a \$75,500 take.

Yet neither the elegantly dressed audience from society, official dom and the arts nor the debut of fiery Maria Meneghini Callas provided quite the excitement that had been expected.

Richly Dressed

Mme. Callas, born in Manhattan but appearing for the first time in the city, had been the subject of more publicity than any new Met singer in a decade.

But the fiery temperament and unique personality of her advance notices did not quite come through in her performance of the title role of Bellini's "Norma."

There probably never has been a more richly dressed opening night attendance — with velvets, satins and brocades, chinchillas and minks, top hats and opera capes. A \$150,000 collection of diamonds adorned one lady.

Least Obstreperous

But it also was the least obstreperous audience, with the smallest proportion of publicity-seeking patrons, that the venerable opera house has had to contend with in years.

The glittering audience included Mrs. Cornelius Vanderbilt Whitney; dancer Vera Zorina; the former Margaret Truman and her husband, newspaperman Clifton Daniel; United Nations Ambassador Henry Cabot Lodge and Mrs. Lodge, New Jersey Gov. Robert Meyner with Miss Helen Stevenson; actress Marlene Dietrich; singer Gladys Swarthout; and actress Katharine Cornell.

ARREST YOUTH FOR EXTORTION

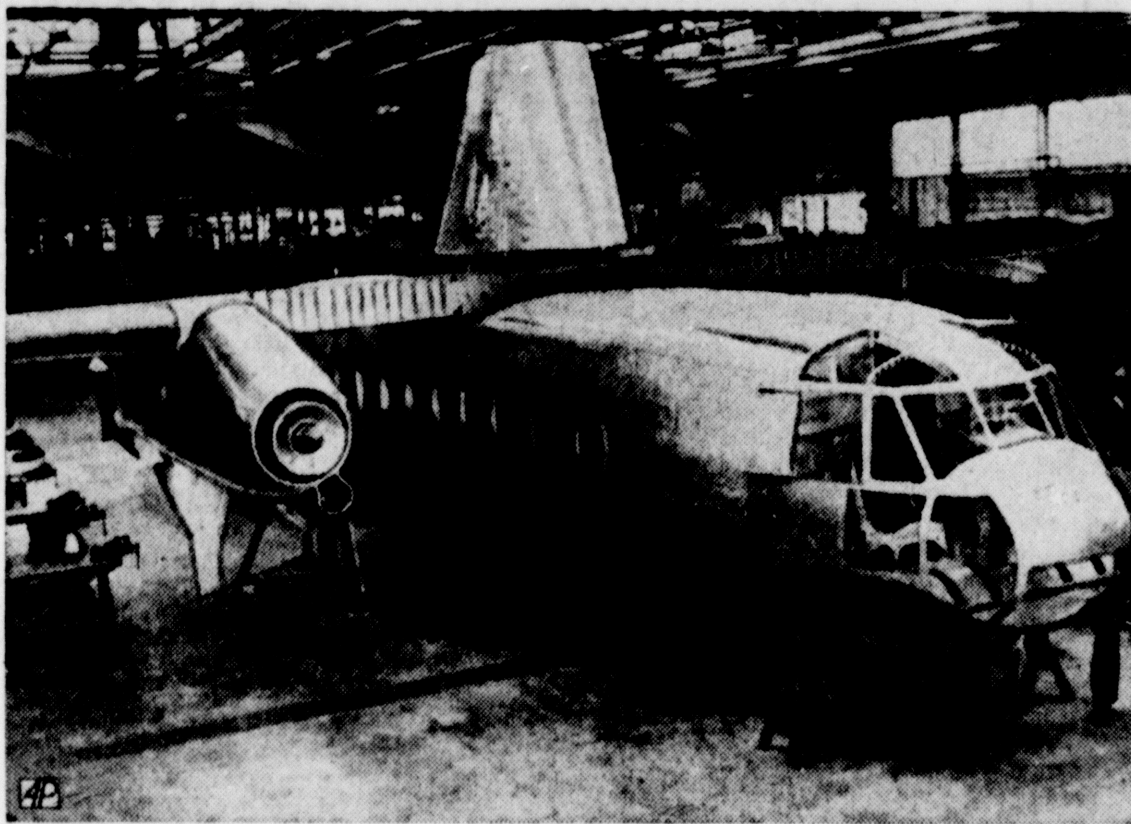

NEW YORK (AP) — The FBI has seized a Queens College student and charged him with trying to extort up to \$14,000 from the parents of little Steven Damman after the child was kidnapped a year ago.

The FBI announced last night the arrest of Robert V. Fontaine Jr., 18, of Floral Park, Queens. Fontaine was accused of writing

add, "I thought we lived at Englefield Green."

"Oh, we're neighbors," said Queen Elizabeth, explaining that Englefield Green, where the actress and her husband, playwright Arthur Miller, have rented a large manor, is near Windsor Castle.

The Queen and the film star, both 30, also chatted about the film Marilyn is making in England, "The Sleeping Prince."

SOON TO GO ALOFT — A rotodyne jet-propelled helicopter nears completion in Hayes, Eng., factory. It has been nicknamed "rotorcoach" because it can seat 40 passengers.

three letters to the Dammans. Each demanded higher ransom for the return of the 3-year-old boy, the FBI said.

The FBI did not reveal how it traced Fontaine.

Steven disappeared from his carriage in front of a supermarket at East Meadow, Long Island, N. Y., Oct. 31, 1955. He has never been found.

The FBI said Fontaine was charged under the federal extortion statute with writing the letters to Jerry and Marilyn Damman.

May Need 750,000 More Tons Of Steel

COATESVILLE, Pa. (AP) — A government proposal to build 50 super-tankers, now under study, could suddenly create a need for some 750,000 tons of heavy plate steel from an industry already operating at capacity, says steel executive Charles Lukens Huston Jr.

Huston, president of the Lukens Steel Co., cited this proposal yesterday as one example of the potential impact of a continuing

Suez Canal crisis upon heavy plate producers. Such impact, he told members of the Financial Analysts of Philadelphia who toured his plant here, could "seriously affect" expansion programs of the petroleum and shipbuilding industries by increasing a shortage of heavy steel plate.

He said the expects the demand to remain tight through 1957 at least.

The average retired worker benefit from Social Security in 1955 was \$61.37 a month, 20 per cent higher than in 1954.

Plan Carrier With 8 Atomic Engines

NEW YORK (AP) — Secretary of the Navy Charles S. Thomas says the Navy is ready to build a mammoth 85,000-ton aircraft carrier propelled by eight atomic engines. It would be the world's biggest ship.

The design of the giant warship is complete, Thomas said, and construction will start in the fiscal year beginning July 1 if Congress votes the funds to be asked by the administration.

In a speech at the New York Council of the Navy League last night, Thomas said the supercarrier's atomic power plant would give it a speed of about 33 knots.

Change Orders Of Fleet In Atlantic

THE HAGUE (AP) — An American naval force today was ordered to break off a visit to the Netherlands and leave at noon for a secret destination, a U.S. Embassy spokesman announced.

The ships are those of the U.S. Atlantic Fleet's Hunter Killer Group No. 2. They include the aircraft carrier Antietam, six destroyers, two submarines and a tanker.

"Because of the current Middle East crisis, there was immediate speculation that the ships had been ordered to join the U.S. 6th Fleet in the eastern Mediterranean."

MILK DEALERS LOSE APPEAL

HARRISBURG (AP) — Dauphin County Court has rejected appeals of milk dealers seeking a lower minimum price for the sale of milk to sub-dealers in the Altoona-Johnstown marketing area.

In a ruling yesterday, the court held that Rieck Dairy Co. was not "an aggrieved party" under a Milk Control Commission order of last August raising the minimum price sub-dealers must pay for milk to sell under dealers' licenses.

Joining Rieck in an appeal against the order were Supplee-Willis-Jones Milk Co., Philadelphia; Hershey Chocolate Corp., Hershey; and Westmoreland Cooperative Farmers Corp., Pittsburgh. The court's opinion said the commission order was "reasonable and in conformity with the law."

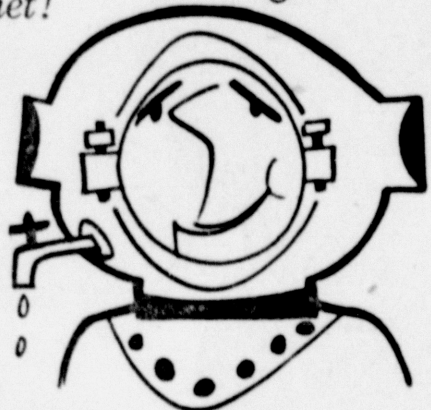

The order set the method of pricing dealer-to-dealer sales of milk and stated that the minimum price to be charged sub-dealers would be 2½ per cent less than the retail sales price.

Under the old system a schedule of prices about four cents a quart less than the retail price had been provided.

Who's in the saddle?

Just after the Republicans took office in 1953, their Secretary of the Interior said:

"... we're in the saddle as an administration representing business and industry."

But what he should have said was:

"... representing big business and big industry."

Because the plain hard figures show that during these last 4 years ... while big business has been making record profits ...

... small business has been harder hit than almost any group in our economy.

Since they took office in 1953, the Republican politicians have put the squeeze on small business.

These are the figures:

"A 25% increase in small business failures since 1952."

How do the Republican politicians really feel about small business?

Maybe Charlie Wilson said it:

"Certainly what's good for General Motors is good for the United States."

But not everybody is General Motors.

We Democrats don't believe small business is the stepchild of big business.

We can restore the independent businessman to his rightful place in our free enterprise system.

But he needs help:

New credit and tax policies.

Proper enforcement of the anti-trust laws.

A vigorous government agency to advocate the independent businessman's cause.

This help can be had.

We need the right man in Washington as our Senator to fight for it. That man is Joe Clark.

Joe Clark is on the record as a friend of the independent businessman.

Joe Clark believes the independent businessman needs help.

Joe Clark believes we need prosperous, thriving, independent businessmen—if our economy is to prosper and thrive.

You can count on Joe Clark
He keeps his promises
He stays on the job
He gets things done

ELECT JOSEPH S.

CLARK

YOUR U. S. SENATOR NOVEMBER 6TH

AUTHORIZED BY CLARK FOR SENATOR COMMITTEE AND VOLUNTEERS FOR STEVENSON-KEFAUVER
George W. Taughinbaugh, Chairman

DEMS' LEADERS WILL SPEAK IN PHILADELPHIA

PHILADELPHIA (AP) — Pennsylvania's top Democrats headed for Philadelphia today to welcome Adlai Stevenson, the party's presidential standard bearer, on his first campaign visit to the Quaker City.

Joseph S. Clark, seeking the U. S. Senate seat held by incumbent Republican James H. Duff, was slated to speak along with Stevenson at two rallies—one in downtown Reymann Plaza at 5:30 p.m., the height of the home-ward rush hour; and a second at 9:30 p.m. at the Penn. State, which will be televised (ABC).

Stevenson carried Philadelphia by a 162,000 majority in 1952 but lost the state's 32 electoral votes to President Eisenhower.

Last night in Wilkes-Barre, Clark told a Luzerne County Democratic dinner that what he called a Republican failure to pass legislation to aid distressed areas was based on explicit instructions from Secretary of Commerce Sinclair Weeks.

Cites Old Bill
"... while the Republicans brag about the wonderful things they have done for us, they have not come up with a single new program, a single new idea, that is important to the welfare of this country," Clark declared.

Clark said the Douglas-Flood distressed areas bill on which he testified in Wilkes-Barre "is the legislation that this area and other areas in Pennsylvania needs."

"That is the bill that has got to be passed by the next Congress, and it is my intention to be there to help see that it gets passed," he said.

The bill would provide 275 million dollars in loans, aid and public facilities to distressed areas, Clark said.

NO MEDDLING WAS INTENDED

MOSCOW (AP) — Soviet Foreign Minister Dmitri Shepilov says Premier Bulganin didn't mean to interfere in the U. S. election with his letter to President Eisenhower suggesting a ban on H-bomb tests.

Shepilov told Western correspondents at a reception:

"We did not connect it with the American election. The message raised the question of banning nuclear explosions. I believe that

Mr. Bulganin did not think of either the donkey or the elephant."

Adlai Stevenson had been advocating suspension of H-bomb tests when the Bulganin letter arrived 10 days ago. Eisenhower, who opposes ending the tests until an over-all disarmament accord is reached, fired back an answer to Bulganin accusing him of "interference in internal affairs of the United States."

LEWISTOWN, Pa. (AP) — Miss Ethel L. Hill, 54, Lewistown, was struck and killed last night in downtown traffic here.

Patrolman Frank Burlew said she was struck by a car operated by Thomas E. Woerner, 17, of Lewistown.

PUBLIC TRANSIT SYSTEM IN PHILA. BACK TO NORMAL

PHILADELPHIA (AP) — Philadelphia's public transit system was back to normal today after a sudden tie-up in which 1,000 employees left their jobs to protest the firing of a motorman.

The walkout began yesterday afternoon and by mid-evening had spread to various points on the two main arteries of the Philadelphia Transportation Co.—the Market Street-Frankford line and the

Broad St. subway line. Officers of Local 234, Transport Workers Union, persuaded the men to return to their jobs and submit the dispute to normal grievance channels. Two meetings of company and union officials were held last night and another was scheduled for today.

Firing Is Disputed
The dispute concerned the firing of a trolley operator who allegedly failed to report some of the fares he collected. If the meetings between union and company officials fail to produce a solution, the dispute will go to arbitration, a PTC spokesman said.

The walkout began at the Luzerne depot in north Philadelphia just before the evening rush hour. By the end of the rush hour, pick-

ets had halted all trains on the Broad St. subway, the city's main north-south transit line. The Market St.-Frankford subway-elevated was shut down for about an hour, then service began again. A short time later, trains were halted again because of mass picketing at the Bridge St. terminal. Pickets also tied up five lines to the northeast section and the suburbs.

The PTC said the walkout was the eighth of its kind on the system in the last 15 months.

Police said they had no reports of unusual traffic jams or crowds at transit stops because of the strike.

John Townsend, former Wyoming freshman football coach, is assistant line coach of the Cowboys.

PUC Will Begin PRR Hearings Nov. 13

HARRISBURG (AP) — The Public Utility Commission will open public hearings here Nov. 13-14 in its investigation to determine if the Pennsylvania Railroad is violating safety provisions of the full crew act.

When setting the date yesterday, the commission also approved a petition of the Brotherhood of Railroad Trainmen to intervene in the case.

The PUC ordered the investigation last month when the State Supreme Court ruled the attorney general could proceed through

the commission for enforcement of certain provisions of the law. The major provision requires five crew members.

Chrysler Windsor V-8

Announcing the most glamorous car in a generation!

You never looked or
felt as good in
anything before!

Other cars have changed models . . . this one changes motoring. Look at its rich, racy lines . . . at the long, low silhouette . . . at the dramatic upsweep of the rear fenders that plume back from the waist like the wake of a hydroplane. It's a streak of a car with the elegance of the boulevard and the spirit of the speedway.

Get into this car, drive it into traffic or out on the open highway and you enter a new domain of travel. In the 1957 Chrysler, with its new Torsion-Aire Ride, motion has a new "feel". And wait till you toe the throttle. A new Pushbutton TorqueFlite Transmission teams with a mighty airplane-type V-8 engine, developing up to 325 horsepower, to give you a new high-velocity getaway, matchless passing power when you need it.

Come in this week and visit our showrooms. See and drive the most completely new car of the year!

Torsion-Aire Ride *pours the road under you!*

Try Chrysler's new Torsion-Aire Ride and you'll think some of the laws of gravity, motion and inertia have been suspended in your favor. No more rock and roll. No more pitch when you stop. Chrysler's new torque rod suspension and lower center of gravity give you a brand new ground-skimming "feel" of the road. The wheels ride the contours . . . but you don't. The road just pours under you.

TED KROLL IS NOW ENJOYING LAP OF LUXURY

By CHARLES CHAMBERLAIN
CHICAGO (AP) — Just about now Ted Kroll is heading south in a seven-passenger, air-conditioned limousine to fulfill professional golf's plushiest contract.

Riding in the lap of luxury and leisurely playing exhibition matches at \$1,000 each is a far cry from the demanding grind of the tournament circuit and the days after World War II when Kroll followed the pro trail in a shared auto to try to make ends meet.

The 37-year-old former caddy of New Hartford, N. Y., is playing the exhibitions as part of the jackpot he hit in winning the world championship at Tam O'Shanter in August. Kroll collected \$50,000 cash and signed a contract with promoter George S. May for at least 50 exhibitions at \$1,000 each, and all expenses paid.

Exhibition Tie-In
The exhibition tie-in became

part of the prize in 1954 when Bob Toski won and then dropped from the tournament picture for about six months.

Last year Julius Boros cashed in. His layoff from tournament play had little effect on his game. He came within one shot of winning the 1956 National Open at Rochester.

"I don't think the exhibition tour will harm my tournament golf in any way," says Kroll.

His world victory climaxed his best tourney season since he set out on the circuit after serving as an infantryman in the war. He was injured four times, the last being from a shrapnel blast in southern France.

With Tam's \$50,000 cash award, Kroll wound up 1956 as the leading money winner with \$72,835 and held third place in the PGA Vardon Trophy standings with an average of 70.59 strokes per round.

Heading South
The exhibition tour has taken Kroll through most of the Atlantic seaboard states. As colder weather sets in, the limousine will whip him towards the south.

Next spring plans call for several exhibitions in Europe. But Kroll expects to have time to compete in several of the bigger U.S.

tournaments before his contract expires.

"This limousine stuff makes me think of Cinderella and the pumpkin turned into a coach," laughs Kroll. "After the war I remember joining Milton Marusic, Doug Ford, Julius Boros and Bob Toski on the circuit, driving from tourney to tourney in a couple of shared cars and pooling our resources for food and lodging. We would constantly examine each other's swings and in evening huddles we would have many a golf post-mortem. I learned a lot."

"Now look at me — on to the next exhibition, James!"

FROM FAN TO ROOKIE

DETROIT (AP) — On a 1950 Dallas visit by the Detroit Lions, a young fan got a job as helper to the club's equipment man. Six years later, the youngster is one of the top rookies for the Lions. He is Don McIlhenny, the club's third draft choice from Southern Methodist.

ELMONT, N. Y. (AP) — Jockey Pete Anderson rode both ends of the \$2,121.50 daily double at Belmont Park. On the next program, two days later, he had the first winner in a daily double that returned \$177.10 for \$2.

News Briefs

CARUTHERSVILLE, Mo. (AP) — An apparent slight earth tremor shook the Caruthersville area in southeast Missouri early Monday.

The Pemiscot County sheriff's office said no injuries or damage had been reported.

State patrol officers at Poplar Bluff said they had received no other reports of the disturbance. Caruthersville is located in the tip of the Missouri "boot heel" area.

PARIS (AP) — French officials said Monday the government is in agreement with a White House proposal for Big Three talks.

These sources said France, however, would like to expand the talks to consider not only Arab-Israeli tension but the entire Middle Eastern situation.

AMMAN, Jordan (AP) — Premier Suleiman Nabulsi Monday completed a new Cabinet which appears to be the farthest left in the history of this Arab nation.

The cabinet includes one extreme leftist from the National bloc and one member of the leftist but non-Communist Arab Resurrection party.

Seven members of Nabulsi's own pro-Egyptian Nationalist Socialist party and two Independents round out the list.

Negro Newspaper Backing Eisenhower

PITTSBURGH (AP) — The Pittsburgh Courier, a weekly newspaper with a large circulation among Negroes in all parts of the nation said Monday it is endorsing President Eisenhower for re-election.

An editorial explaining the newspaper's stand will be carried in the issue scheduled to appear Nov. 3. The Courier publishes 14 editions in various parts of the country.

Officials of the paper said the Courier supported the Republicans party "and all Republican candidates from William Howard Taft to Herbert Hoover."

In 1932 and 1936 the newspaper endorsed Franklin D. Roosevelt, but has supported Republican presidential candidates since.

TO CLOSE PLANT

PHILADELPHIA (AP) — Sylvania Electric Products, Inc., announced Monday that it will close its suburban Hattboro plant Friday, throwing 600 persons out of work. The company said a slackening demand for black and white television sets and tubes necessitates the move.

David K. Elwell, plant manager, said about 150 workers would stay on for a few weeks to take care of packaging, warehousing and shipping.

Elwell said workers were notified of the shutdown decision last weekend and advised that the company had attempted to shift other Sylvania work to the Hattboro plant but found facilities lacking.

STUDIOUS GRIDMEN

BLACKSBURG, Va. (AP) — Coach Frank Moseley of Virginia Tech takes every safety measure to assure that his football players don't fall down in their grades. This season he's conducting a special study hall exclusively for Gobbler gridmen.

TAKES PART IN RESCUE AT SEA

Alfred L. Jones III, teleman second class, USN, 321 Springs Ave., took part in the recent rescue of the motor vessel Lady Cecil, one mile off the rugged Labrador coast in the Strait of Belle Isle while aboard the USS Fort Mandan, a dock landing ship.

The Mandan picked up the distress signal early in the evening while returning to the U. S. from a re-supply mission to the Arctic.

The Lady Cecil was reported to be adrift with no propulsion and no anchor, and in serious danger of grounding. The Fort Mandan reversed course and along with two merchant ships headed for the Lady Cecil.

Upon arriving at the scene several attempts were made to pass lines to the drifting ship, but failed due to the heavy sea and strong gale.

Finally a successful tow, using wire only after several manila lines had parted, was established after hours of staying within 100 feet of the distressed Lady Cecil.

The tow line parted again and another wire had to be passed. The Fort Mandan then continued southward with the Lady Cecil in tow until relieved by the Canadian icebreaker HMCS Labrador.

LOT OF LIVE WOOD

STILLWATER, Okla. (AP) — When Oklahoma Aggie football coach Cliff Speegle knocks on Wood, he has a purpose. Three of his players are named Wood. There's Everett, Duane and Jim. Also on the team is an Underwood, Dwaine.

Pimlico has scheduled more thoroughbred distance races because of a survey showing fans wager at least six per cent more money on races longer than one mile.

ISRAELI THRUST AFFECTS IKE'S CAMPAIGNING

By MARVIN L. ARROWSMITH
WASHINGTON (AP)—The Israeli thrust into Egypt left President Eisenhower's campaign travel plans clouded in uncertainty today.

With the election a week from today, there appeared to be a chance the stretch drive Eisenhower had chartered might be curtailed.

Up in the air, for example, was the matter of whether Eisenhower will go ahead with plans for a flying sortie tomorrow into Texas, Oklahoma and Tennessee.

More Uncertainty

"I just don't know, I can't tell yet," White House press secretary James C. Hagerty said last night.

There was uncertainty also on plans for Eisenhower to travel to Philadelphia Thursday evening for a major campaign address on nationwide television and radio.

Eisenhower got the news of the Israeli attack yesterday at the airport in Jacksonville, Fla., just after a campaign speech.

In that address he said America must remain militarily strong and at the same time must "give to our pursuit of peace our entire dedication." He alluded to efforts in Poland and Hungary to throw off Soviet domination, and added:

No Time To Stop Draft

"At this particular stage of the world's history, where we see a once-proud people being trampled down by marching regiments, this is no time to stop the draft—this is no time to stop perfecting our weapons."

That clearly was another crack at proposals by his Democratic rival for the presidency, Adlai E. Stevenson, that (1) the United States take the lead in seeking world agreement to ban hydrogen bomb testing, and (2) thought be given to ending the military draft under conditions consistent with national security.

After receiving news of the Israeli thrust, Eisenhower flew to Richmond, Va., for his final campaign talk of the day. He told an airport crowd there the word from the Middle East was "not good."

Then he recalled that last weekend he sent two urgent messages to Israeli Prime Minister David Ben-Gurion cautioning against any action that would "endanger the peace."

Holds Conference

In Richmond, he said the messages amounted to a "solemn

warning" to the people of the Middle East that "America and the civilized world expect the peace to be kept."

Back in Washington in the early evening, Eisenhower went immediately into a 90-minute conference at the White House with his top military, intelligence and diplomatic advisers.

After that session Hagerty said in a statement authorized by the President that the United States "has pledged itself to assist the victim of any aggression in the Middle East" and "we shall honor our pledge."

The White House announcement said:

"The question of whether and when the President will call a special session of the Congress will be decided in the light of the unfolding situation."

TWO DOCTORS SAY HOXSEY'S PILLS BENEFIT

PITTSBURGH (AP)—Two physicians, testifying for the Hoxsey Cancer Clinic at Portage, claim potassium iodide is "beneficial and necessary—under special conditions x x x and in some cancer cases."

Drs. Max Gerson of New York and H. D. Hill of Laverne, Okla., gave the testimony yesterday in a civil suit to determine disposition of a half million pills seized at the Hoxsey clinic at Portage. The government claims the pills were misbranded as being effective in cancer treatment and wants them destroyed.

Stimulates Growth

According to the government, the pills contain potassium iodide. Government medical witnesses testified earlier in the trial that potassium iodide stimulates instead of checks cancer growth.

Asst. U. S. Atty John A. Demay attempted to test the reliability of testimony by Dr. Hill and another defense witness, Dr. Davis A. West, by reading a record of past convictions against them.

DeMay said Dr. West served 15 days of a 30-day sentence in Los Angeles in 1953 for practicing medicine without a California license. Dr. Hill was twice found guilty of violating federal narcotic laws by writing prescriptions for persons he termed patients, DeMay said.

Judge John L. Miller denied a defense motion for a mistrial after DeMay finished reading the records of the two doctors.

Reach Agreement On Telephone Contract

BALTIMORE (AP)—Officials of the Communications Workers of America and the Chesapeake and Potomac Telephone Co. have reached agreement on a one-year contract.

The union, representing 5,200 of the company's employees, has agreed to weekly wage increases ranging from \$2 to \$5.

The agreement was announced last night within 24 hours after the old contract had expired.

The agreement is retroactive to Sunday midnight, when the old contract expired.

It is subject to ratification by the union membership.

U. S. Army Engineers that construction of a huge dike at the Olmsted Air Force base would not constitute a flood hazard.

The dike is part of a 12½ million dollar improvement program planned at the big base.

John P. Starr, chief of planning for the U. S. Engineers Corps,

Baltimore, gave the assurance last night at a meeting of the Middletown Regional Planning Commission.

Starr said a hydrological survey indicated the effect of the dike on flood heights "will be relatively minor and will not aggravate existing conditions."
